

*Gary McCain*

Gary was brought up with archery in his family. From shooting in the yard to advancing to a local club and that was it, he was hooked. It didn't take long for him to become Range Captain at Nomad Bowmen.

When Gary & Sandy got married, they were on the same track with their political views of archery and got involved with the local clubs, then regionally, then statewide and now as the California Director to NFAA. As Gary was told when he got involved, he still says "don't let them get away with anything!"

Gary has served on the CBH/SAA Big Game Club Committee for many years. He has several animals in the record books and animals in the Pope & Young Club.

Gary not only hunts with his bow, he is an accomplished target archer;

- 10 NFAA National Championship Titles
