

*Earl Williams*

It all started when Earl and his father went to the Army Navy Store. A bow and arrow set was on the wall and all that Earl knew is that he wanted that set, and he got it. A few years later, Bob & Betty Gulman (CA HOF), mentored Earl and took him to tournaments.

Earl was more interested in the "game" side of archery. He has proven his hunting skills over and over. He harvested his first deer at the age of 14 and as of a few years ago, he had harvested over 85 deer.
