### Carrie Wilson Know the signs a baby bear is near

**Q:** When hunting bears, how can you be certain that the adult you are stalking does not have a cub nearby? And what should be done if after the harvesting of a bear, you determine or find out that it had a cub hidden from sight, like up a tree?

— Dwight H.

**A:** As you track the bear and do not encounter smaller bear-like tracks in close proximity, it may indicate you are not stalking a family unit but instead an individual adult or sub-adult. If possible, from a distance try to observe the bear with binoculars to further verify that it is not accompanied by cubs.

According to California Department of Fish and Wildlife Bear Program Coordinator Jesse Garcia, black bear young are born around the first of February while the sow is hibernating. The newborn cubs weigh less than a pound at birth and continue developing while suckling. They emerge with the sow from their dens in April or May at around five to seven pounds.

Cubs are dependent on their mother's milk for 30 weeks - birth through early September, transitioning to solid food after their teeth have erupted, and will reach independence at 16 to 18 months. Cubs approaching their first birthday will be denning with their mother and learn aspects about hibernating.

Cubs of the year will be dependent upon and remain with their mother throughout the entire bear season while they are less than a year old. Sows with yearlings - one year plus - will have separated by the time the first bear season opens in early August. The percentage of sows with cubs of the year during bear season can change from one year to the next based on various factors.

Keep in mind that all bear harvesting requires immediate reporting. Therefore, the inadvertent take of a sow with a hidden cub would also need to be reported for follow-up enforcement action. If there is any doubt at all, do not take the bear.

**Q:** As our creeks dry up, ponds are formed, some of which appear at the road culverts. Is it legal to fish these ponds with a pole, by hand or a dip net?

— Jeanne G., Portola

**A:** In intermittent streams like you describe, what appear to be ponds are actually isolated pools. Although not apparent during the dry season, water may still be flowing out of sight, under the streambed surface. This is often called intragravel flow. Because a creek is still a stream and not actually a pond or lake, the stream regulations still apply. Fish can only be taken from these waters under the regulations currently applicable for that stream, including seasons, limits, methods of take, etc. Current California Freshwater Sport Fishing Regulations can be found online or you can pick up a copy of the booklet wherever fishing licenses are sold.

Carrie Wilson is a marine environmental scientist with the California Department of Fish and Wildlife. While she cannot personally answer everyone's questions, she will select a few to answer each week in this column. Please contact her at [CalOutdoors@wildlife.ca.gov](mailto:CalOutdoors@wildlife.ca.gov).

## President's Message -by Wayne Raupe

The CBH/SAA Annual Meeting will be upon us about the time you receive this issue of our Magazine. I hope those of you who are not actively involved in CBH/SAA but are interested in the preservation of your sport and this organization are planning on attending part of or all three days. The Legislative Team will be meeting on Friday January 13th at noonish and last as long as is required. The Hospitality Room will open at 6:PM and close at 9:PM or there about. You are welcome to join us there also. This is a GREAT time to meet and greet your CBH/SAA Staff, Officers and to meet and thank the Orange Belt Field Archers (OBFA) for hosting the event. In addition it's an opportunity for you to meet legendary men and women in Archery... and well... not so legendary men and women... I fall in the latter class so I'm always glad I'm able to rub elbows with the legendary. The General Session will start Saturday morning at 8:AM and will break around noon then not reconvene Saturday afternoon as we will be in other meetings and working in preparation for the Big Game Banquet which will begin at 5:30 PM with a "No Host" bar with dinner following at 6:30 PM followed by the Big Game Club Awards Program. The General Session will reconvene Sunday morning at 8:AM and run until the finish of business usually around 1: PM, at which time we will adjourn. So now you have all the info you need and you have no excuse not to attend... we'll see you there right?

It is with great sadness that I write this. I'm sad to inform you, those that are not aware, of the passing of a true icon. On the morning of December 10<sup>th</sup>, Dena Malech called me and told me that Burt Malech, the love of her life and her lifelong husband passed away just after midnight.

California and in particular... Archery in California, has lost an icon that will never be replaced. Burt was one of the very first CBH/SAA Officers I met when I attended my first CBH/SAA Annual Meeting 36 years ago. He so impressed me... I felt he was a diamond but still in the rough and that rough quality drew me close to him. However, as the years passed I realized that God cut this rough diamond with such flawless character that in fact this diamond, Burt Malech, really was not in the rough at all. The diamond, the man, Burt Malech, was placed on this earth by God to teach, inspire, challenge, help, create, and to apply God's Word and God's Will to all he came in contact with.

Burt was a Champion story teller. He loved to make people laugh and he did it very well. He started telling stories at the Annual CBH/SAA Banquet and dubbed it as the "Tall Tales of the Quilled Shaft". He challenged

others to try to tell a "Taller Tale" than his in order to win the coveted Champion of the Tales of the Quilled Shaft plaque. Some of the non-believers said it was just telling lies but Burt held that only truths were told during these exercises of exaggerations. Those of you who missed these antics missed out on some good stuff! Burt was a true pioneer in the history of California's Archery. He fought for the Bowhunter and the Target Archer for most of his life. He spoke with Department of Fish and Game and the Department of Fish and Game Commission and he presented the Bowhunter's cases to the Senate and to individual legislators. He debated the anti-hunting crowds on many occasions. He encouraged our youth to pick up the bow and arrow and take up the pursuit of small game. He was the CBH/SAA Big Game Club's Small Game Chairman for many years. He was always looking at ways to increase the interest in the pursuit of small game and he traveled California over to find new creatures for his followers to hunt. Our hearts are sad for the emptiness and loss we feel with the passing of Burt. I will always miss him and remember him not as an acquaintance but as a friend and as a brother.

Burt Malech you are with our savior... rejoice in eternity our friend, our brother. Until we all meet again in another one of your Small Game Hunting Camps.

## Legislative Information

### Legislative Information

The next California Fish and Game Commission meeting (CFGC) was held December 7 & 8 in San Diego. Agenda items of interest, 16a petition 2016-20 modify CCRT-14 section 28.95 bowfishing for sharks and rays, 23; Adopt proposed regulations concerning enhanced penalties for illegal take of game species (Section 748.6, Title 14, CCR), 29. Authorize publication of notice of intent to amend mammal hunting regulations (Subsections 360(b) and 360(c), and Sections 361, 362, 363, 364, 364.1, Title 14, CCR) 30. Authorize publication of notice of intent to amend regulations concerning deer tagging and reporting requirements (Section 708.5, Title 14, CCR), 31; Authorize publication of notice of intent to amend waterfowl hunting regulations (Section 502, Title 14, CCR), 32; Discuss proposed changes to regulations concerning the use of dogs for the pursuit and take of mammals (Section 265, Title 14, CCR) 34. Non-marine items of interest from previous meetings (A) Department presentation on the status of gray wolves in California. Next meeting is scheduled for February 8 & 9 in Santa Rosa.

The next Wildlife Resources Committee meeting will be January 18<sup>th</sup> in Redding. Continued discussion on the Predator Policy work group in regards to non-game and predators. No agenda has been posted at this writing.

Deer hunting in California has concluded, you have until the end of January to submit your deer report cards regardless of success or not. Failure to submit report card will result in a \$21.86 per tag penalty when you attempt to purchase 2017 tags.

Robert

### CalNASP

The California National Archery in the Schools Program (CalNASP) was adopted by the Department of Fish and Wildlife (DFW) in October 2005. Initial training of teachers and volunteers took place at Weimar middle school east of Sacramento. Steady progress has been made on continued certification of additional schools throughout the state. A virtual state championship tournament was established in 2011 to qualify a state delegate to attend the National Championship. New for 2017 will be a single point land based state championship to be held February 4<sup>th</sup> at Sierra College in Rocklin. Check DFW website <https://www.wildlife.ca.gov/Learning/CALNASP/Tournaments> for more information and if you are a participating school you can use the registration link.

***Thank You for your Donations to the  
CBHSAA Legislative Defense Fund!***

**By Robert Moore Legislative Coordinator**

I want to thank those that have donated funds to our Legislative Defense Fund. With your donations, you're Legislative Team, representing the six DFG Regions, can attend important meetings and react to issues that are impacting our sport. We can also meet our Financial Obligations to Gaines and Associates who represent us in the state capital, at all DFG meetings, and up and down the state when and where needed. Their goals are to promote wildlife conservation and protect our archery and hunting heritage within the state political system. However, we are, and always will be, responsible for all costs over and above their obligation to us. That is, when CBH/SAA has to retain a legal team to protect us and our sport, it will be at our expense. This is why your donations are so important to the Legislative Defense Fund in any amount you can afford.

Clubs, Regions, Organizations and Businesses may show the amount of their contributions as a way to inspire others to do the same.

Again, I would like to thank those listed below in addition to those that donated previously for their support.

**This Month's Donations include:**

*Archery Clubs, Regions, Organizations and Businesses:*

**San Francisco Archers Inc., \$400**

**Kern River Archers, \$140**

*Individuals:*

*Tournament Donations/Other:*

Break the Barriers, Inc. (BTB), a non-profit (501)(c)(3) corporation since 1984, was given a stewardship of influence in the world of Inclusion. By combining students of all abilities using athletics, arts, health, fitness and education programs — barriers are explored and broken. Our sphere of influence with Ability Awareness, Outreach & Education has reached State, National and International levels — far beyond our imagination.

Break the Barriers International Inclusive Ability Center provides USA Archery sanctioned to all ages and all abilities. Trained and certified by Jake Kaminski, two time Olympic silver medalist, and led by Level 4 instructor and Paralympic Gold Medalist, Jeff Fabry, Break the Barriers provides Junior Olympic Archery Development Classes to youth and USA certified archery to adults. In addition, a free archery program is available for Veterans who train year-around and compete in the Valor Games, the Wheelchair Games, the Senior Games, the Paralympics and tournaments throughout California and Nevada. Break the Barriers also provides free archery classes for at-risk youth and students who are blind and visually impaired.

Break the Barriers relies on student fees, grants, foundations and donations to accomplish our mission: Celebrating awareness & victories of all abilities through exceptional programs, outreach, and education.

In order to compete in the State Field, State Target and State Indoor for awards, you must belong to NFAA. NFAA membership includes CBH/SAA and Regional dues. Contact NFAA at [www.nfaausa.com](http://www.nfaausa.com) or call 1-800-811-2331.

Adult and Youth NAA Members: In order to compete for awards in State Field, State Target, State Indoor and State Broadhead, you must pay the CBH/SAA membership fees as noted above.

A CBH/SAA membership allows you to compete in the State Broadhead, 3D Unmarked Championship and Small Game events and allows you to submit pictures of you and your big and small game animals to the Big Game Club Record Book.
