Saying Goodbye to "Pete"

By Wayne Raupe
CBH/SAA Past President

On the morning of December 10th, Kathy Budding called to tell me that Pete had passed away in his sleep during the previous night. Kathy, of course, didn't have any information beyond that. She also said she hadn't had time to plan for a celebration of life for him but said there would be something after the new year. Pete "Henry" Budding is an Archery Icon, past CBH-SAA President and California Archery Hall of Fame Member

My thoughts and prayers are with Kathy Budding as she navigates this time of loss.

Thinking of Pete, I reflected back to when Pete was serving the last year, of his second two-year term as President of the California Bowmen Hunters and State Archery Association (CBH/SAA). This was when I attended my first Annual CBH/SAA meeting. I was in such awe of his knowledge, his command of the meeting, his handling of the "Point of Order" objections from the floor, and most of all, his good standing and the respect he received from the members of CBH/SAA.

In 1994 when I was elected and began my first term as CBH/SAA President, Pete was in my corner and showed me the ropes. Pete and I became close from that point on, and he was always there for me. During the 10 years of my presidency

Pete kept me out of trouble while I was conducting the annual meetings (the best he could). When I got myself into a bind or crossways with Robert's Rules of Order, a situation I got myself into often. Pete was there to get me out and back on track.

Pete always spoke his mind. He provided current and historic information that the CBH/SAA Governing Board didn't know or forgot. Sometimes his temper showed when the meeting was running askew. His temper, his voice, his dedication, and his unabashed commitment to CBH/SAA and archery as a whole...well, that is who he was. I will miss our annual get-togethers at the meetings and our phone calls over the years, which were many. The week before Pete passed away I was thinking of him and now I have regrets that I didn't act on my thoughts and dial his phone number.

H. A. "Pete" Budding Celebrated

A part of the rich history in California history is the people who have paved the way for us. "Pete," as we all know him, is one of these people who have shaped CBH_SAA and archery.

Pete got his start in the sport of archery in 1968. The Solano Field Archers was the first local club to have benefited from his membership. That same year saw Pete joining CBH-SAA and NFAA. Within two years, Pete served the Solano Field Archers as Vice-President and later as President of that organization. His involvement as club president caused him to get involved with regional archery politics, and within that capacity, he served the archery community with a variety of activities.

Pete continued in club service for over 25 years. And served as the legislative representative to the Northern California Field Archery Association.

In 1976, Pete was elected to the CBH-SAA Vice-President position and shortly thereafter became President by default, through the resignation of the sitting president. He served CBH-SAA for a five-year presidential term.

Pete's legacy will be remembered for many things, but one important area was creating a financially solvent organization and correcting mistakes that resulted from prior mismanagement. He later continued his leadership within the organization as an honored "immediate past president" of CBH-SAA for four additional years, offering his wisdom and history.

The California Archery Hall of Fame was born during Pet's tenure, and he continued to support it as a Hall of Fame Board of Directors. Throughout his life, he was actively involved with legislative work preserving the rights of all hunters and archers in the state of California and has been involved in the California Wildlife Federation, the California Sportsman's Task Force, and the Outdoor Sportsman's Coalition.

Pete attended and offered testimony at California Fish and Game hearings, various City Councils, and Regional and State Park board meetings. He has defended the California hunter in many diverse public forums. Pete is an INFAA Medal of Merit award recipient.

Pete has competed on the club and regional levels in the State Championships, the Southwestern Sectional Championships and the NFAA Championships. He has competed at the international level through the International Field Archery Association.

Pete shot a variety of equipment in many classes, such as barebow, bowhunter, freestyle, freestyle limited, and the traditional class.

As we say farewell my friend, to Pete, may we always look up to him as a role model of one who dedicated his life to a sport he loved and nurtured.

Saying Goodbye to "Pete" Continued from page 3 Pete will be missed by many and will remain in the hearts of those who knew him. I will miss my brother and mentor, and I will always love him. I know he is now running the archery meetings in heaven with great authority. Rest in Peace, Henry Pete Budding.

Thank You for your Donations to the CBHSAA Legislative Defense Fund!
By Amanda Duchardt - Legislative Coordinator

The CBH/SAA Legislative Team would like to extend our wholehearted thanks to all those who donated to the Legislative Defense Fund. It is our goal to promote wildlife conservation and protect our archery and hunting heritage within the state political system. With your donations, the CBH/SAA Legislative Team can attend important meetings and address issues that are impacting our sport. We can also meet our financial obligations to Gaines and Associates, who represent us in the state capital and FGC meetings throughout the State. Additionally, it is our responsibility to cover any legal expenses when we need to retain a legal team to protect us and our sport. This is why your donations, in any amount, are so important. Again, we thank those listed below, in addition to those who donated previously, for their support!

This Month's Donations Include:
