HOW TO SEND YOUR AD: Go to **CBHSAA.net** and look for the instructions on the home page. **Advertising with CBHSA** then look for “**Submit Your AD**” button. **The ad deadline is the 25th of the month, with a one month lag.** For example if you want your ad in the June edition, submission would be by April 25th. Expect a confirmation within 5 days. Questions? Call or text 619-368-2948. Send all submissions in a generic format such as **jpg, doc, or pdf**. Note: some fonts may be replaced for legibility. If you send a PDF file, or embedded fonts, please send files less than 1MB in size.

**PAYMENT:** Send payments to CBH/SAA Treasurer - P.O. Box 27248 Anaheim, CA 92809 or submit online payments with ad as described above. Payments must be received prior to the newsletter deadline Check, Credit Card or PayPal - [www.cbhsaa.net/advertising.html](http://www.cbhsaa.net/advertising.html).

### PLEASE NOTE:

CBH/SAA is not responsible for incorrect information printed on ads; are not created by CBHSAA. If changes or corrections must be made they must be made in writing prior to printing. All articles, stories and advertisements are the opinions and statements of the contributors and do not necessarily reflect the editorial opinions of this publication.

**MEMBERSHIP, MISSING MAGAZINES, OR ADDRESS CHANGES:** The post office WILL NOT forward your MAGAZINE. Send your address changes to CBH/SAA - 7710 Camino Vista, Shingletown, CA 96088 or email [mpsevertson@frontiernet.net](mailto:mpsevertson@frontiernet.net). If you are also a member of NFAA, the CBH Secretary will forward the changes to NFAA headquarters.

Well, it's been awhile since I dropped anything in the newsletter and probably a lot longer since I said anything really intelligent, but there are a lot of things going on. I would first like to welcome all our new CBH/SAA officers and appointees to the team and wish them enormous success. I am sure you will hear from them in this newsletter, and I know you will be impressed with their professionalism.

New Vice President – Alan Eagleton

New Treasurer – Stephan Grothues

New Legislative Director – Amanda Duchardt

Please welcome them to their new positions and feel free to call them with any CBH/SAA related questions or concerns, their contact information is on page 2.

February started off with a bang as I made what has now become an annual pilgrimage to *The Vegas Shoot*. It was nice to see many familiar faces and everyone back together enjoying archery. Although the mask police were in full force in the casino, everyone was allowed to make their own choices in the shooting and vendor areas. Many California shooters had success, and it was nice to see everyone.

I did not have a chance to get to the State Traditional Championship this year in Fresno, but it was a tremendous success. After the passing of Big George Papac, I had my concerns about getting everything handled for this shoot. My fears were completely unfounded. I want to say a huge thanks to both Pasadena Roving Archers and Fresno Field Archers. George's home club in Pasadena put together a fantastic crew led by Richard Baron and Dan Stafford and the event was flawless. Working together with the team from Fresno, they had 199 shooters and a wonderful event. If you haven't been a part of this event yet, please mark your calendar for next year. We are still not sure on the host site,

but no doubt it will be a tournament to attend. Keep an eye on the newsletter, more to follow. The Annual State CBH/SAA meetings in Visalia were very productive. I know the location was a little frustrating for folks but blame it on me. We had a wide array of people coming from a number of different parts of the State and this seemed to me a logical, centralized meeting spot. The central valley area has been a little

less stringent on the COVID restrictions and I felt we could have a nice, relaxed event without the fear of cancellation or problems. Congratulations again to our three very worthy Hall of Fame inductees.

Terry Mikesell

Pam Severtson

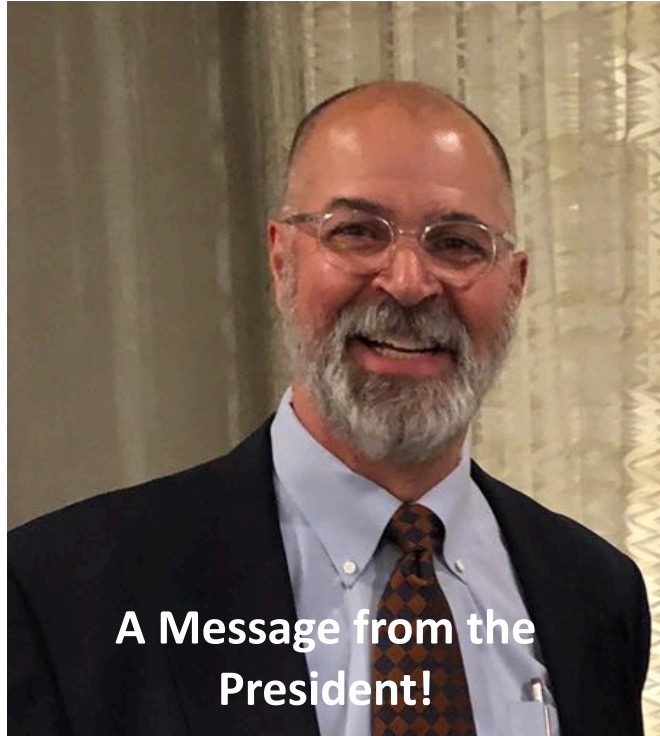

Derrick Roney

We also had some very worthy Big Game Award recipients and some beautiful mounts to look at. Huge thanks to Tom Daley and Craig Fritz for the usual auctioning and money making and thanks to the team for

selling and staffing the sales table. For being the first event after COVID, I think it was successful. Much was accomplished and we have some very competent and enthusiastic fresh faces in CBH. I want to say a special thanks to all the various donors to CBH/SAA funds. Regional, Club and personal donations to the Legislative defense fund and many others topped even my expectations. Please do know that much of what you pay in dues to NFAA and CBH comes right back in the form of donations to support shoots, equipment, programs, and legislative efforts.

One huge donation of important note is a \$17,000.00 donation from Orestimba Field Archers. I want to personally thank the entire club for this huge sum of money. Sadly, this donation does not come without a story.

[Continued on page 9](#)

## Legislative Team Update

by Amanda Duchardt  
Legislative Coordinator

As I kick off my first CBH Legislative Update article, I want to start by thanking Chriss Bowles and Robert Moore for their faith in me stepping up to lead our CBH Legislative Team. I don't know everything about the broad range of issues that sportsmen and sportswomen are facing today. In fact, I humbly state that I know very little. But I am passionate about archery, bowhunting, bowfishing, and conservation and I learn more and more each day, which is why I am grateful for the support of the CBH Legislative Team and YOU!

I had the pleasure of meeting CDFW Regional Representatives Teri Faulkner and Joe Wylie in person at the CBH Annual Meeting. Teri and Joe are wonderful people, and I am excited to have their continued support.

Thank you also to our new CDFW Regional Representatives that stepped up and took a seat at the legislative table during the meeting – Brad Belvedere, Patrick Brannon, James Galliver, and Jose Lara. Another special thank you to Wayne Raupe and Johnnie Waddles for your ongoing support and feedback.

It is also my intent to proactively engage the Legislative Representatives from the archery regions and **YOU** in the process of defending and promoting the sport of archery. Everyone has a unique perspective on these issues. Whether you've been involved in archery or hunting your whole life, or are new to this sport, **you have something of value to add to the conversation and I encourage you to reach out to me and the CBH Legislative team and share your knowledge and experience!** Our contact info is in this newsletter.

If you are looking to become actively involved in the legislative process but cannot commit to becoming an official member of the CBH Legislative Team, we have something for you:

- Review an upcoming piece of legislation and share your opinion,
- Send an email/letter to your representatives in the state legislature,
- Watch the livestream or recording of FGC meetings and share your feedback,
- Suggest updates for our legislative website and Facebook page, etc.
- Educate yourself on local politics and meet your City/County representatives and supervisors,
- Write a CBH Newsletter opinion article on a legislative issue that interests you, or
- DONATE to the CBH Legislative Fund – defending archery, hunting and conservation is not cheap and we have a budget shortfall this year!

Again, we have a task/job for everyone that's interested that will meet your preferred level of engagement and availability! As the new CBH Legislative Coordinator, it is my goal to honor the way things have been done but also to try new things that will advance our sport and conservation. I look forward to hearing from you soon!

I also encourage you to watch Bill Gaines interview with Robert Moore presented by The Outdoor View (<https://theoutdoorview.org/>). Robert speaks about his personal knowledge and the important and impressive history of CBH/SAA. Here is a direct link to the interview <https://youtu.be/C31n-06oxL8>.

Now, on to the legislative updates!

First, I want to acknowledge that CBH relies heavily on our lobbyist Bill Gaines to inform on activities taking place in the state legislature and in front of the Fish and Game Commission (FGC) and to align our responses and actions with our allies in the California Hunting and Conservation Coalition (CHCC). Although the legislative and FGC processes are slow, involving many months or years, each step in the process is a new opportunity to exercise our rights to keep the pressure on our elected representatives and to speak out for our sport. And, we have been VERY busy!

**BIG GAME CLUB UPDATES**

Pictured above (left to right) are: Chriss Bowles, J Barr, Gary and Sandy McCain, Brad Grap, Art Cain, Joe Wylie, Rodney York, and Lawren Wylie. Other members of your committee representing the archery world elsewhere that night (and not pictured) are: Scott Dayton, Mark Sasser, Craig Fritz and Steve Walters. The picture was taken Saturday evening before our Big Game Awards Banquet. Long-time attendees stated this was the most wonderful display of our archery community ever, all in one room. All the entities of California Bowmen Hunters were represented. There was no division between Target Archers, Hall of Fame, Small Game or Big Game Club. What an enjoyably harmonious evening of “Brothers and Sisters of the Bow”. Hold that thought as the end of the next recording period for Small and Big Game is fast approaching: **Thursday-June 30th, 2022**. Which means you also need to mark your calendars for the next **Big Game Awards Banquet, February 25th, 2023**. Backing up a bit from that date we are pleased to announce **Nomad Archers** will once again host our **CBH/SAA State Broadhead Championship**. Be certain to attend that growing event just outside of **Valencia May 27-29th**. **Measurers will be on hand so bring your harvests and pictures to have them scored (\$10 each)**. You can pre-register online at: <https://www.cbhsaa.net/Registration/StateBroadheadReg> as well as purchase one of the limited commemorative T-Shirts at a reduced cost. If you are not a member and plan to shoot “Guest Class” this is your year to **join**. It will SAVE you money to join CBH/SAA and shoot as a member, so do it now and support our sport and Legislative Team. [www.cbhsaa.net/JoinCBH](http://www.cbhsaa.net/JoinCBH)

Of course we will give away tons of great items. As a teaser we will mention just a few for now. There will be arrows, knives, bows, 3D Targets and another **Free Hunt** this year. Just as predictable; we will make one person VERY happy with the presentation of \$10K.

We are adding sponsors daily and this is shaping up just the way one would expect in celebration of 60 YEARS (1962-2022) for our Big Game Club. We have sponsors [**Longhorn 3D Targets, 3 Rivers Archery, CCB Region 53, The Spot Archery, and Victory Archery**] so far. Send in your donations to our new CBH/SAA Treasurer Stephan Grothues, P.O. Box 27248, Anaheim, Ca. 92809. Add your region, shop or personal business by making your check out for \$250, or more to CBH/SAA Big Game Club. We will need your highest quality (largest pixel file) of your logo so we can create a “Target Sponsor” sign for your support. Continued on page 7

**Do you have a special story or information to share? Maybe a family tradition? Contact: Lori Raupe, CBH Editor, she will help you with your story! Deadline for July issue: May 25th!**

BIG GAME CLUB UPDATES from page 6 Continuing forward we are still working to procure a tandem axle trailer to create a Mobil Measurers Clinic. Even though your committee has committed to moving forward on this, the price continues to rise. We could surely use your donations towards this end as the cost has risen almost \$3,000 since we began this quest.

What about a new Record Book? Well, we have formed a committee and it has already begun meeting. As usual this is a huge undertaking and those volunteers will donate blood, sweat, tears and hours too numerous to calculate. Nevertheless, we wish to publish an up-dated version of animals, the hunters who harvested them and accompanying pictures with articles. No, we do not yet have an anticipated date for you to purchase your copy of the book.

That's the recap of what BGC has happening and some of what is yet to come along.

“Correct me IF I'm wrong,” was the way the sentence started. The statement was directed towards me and I assumed I would need to come up with an answer, and soon. The next comment followed, “I don't recall that you shot an arrow last year during your hunt for Mule Deer in Colorado.” Oh busted again I thought, and rightfully so. I replied, YOU are correct. “And aren't those new arrows you're working on? - why do you need those?” One thing I've learned in fifty years of marriage is that the correct answer is the right one. And of course the

truth was, I didn't need them. So that was the correct response. However, in my defense,... I believe one doesn't remain in one place. I believe one either is moving forward and trying to improve; or falling behind and headed backwards. It was late fall and work on possible new approaches was the routine pattern.

It was with that in mind I was “creating” new arrows to accompany a new frontier. It had been six years since I “played” with a new bow. I had jumped into a riser a friend suggested I try: one that would accept *International Limb Fit* style limbs (ILF). Even-though the *Hoyt* concept has been around for quite some time, it is only in the last 10 years the idea has taken hold of the traditional style industry. So inquisitive me had to finally investigate. With one riser in hand I ordered some ILF limbs so I could evaluate their usefulness to my hunting style. I must say the idea of one riser and having both recurve and longbow limbs fit — or several different poundages of limbs was quite appealing. Still, when I shoot a bow it is generally exclusively: not varying with animal size or target face. Thus my initial reluctance and procrastination

to this point had prevailed. But now: investigate I must. I include neither company nor brand names here as this article isn't meant to promote such. Continued on page 13

**President's Message** from page 4- Orestimba is dissolving its club due to losing their range and this sum represents the last of their funds after paying off some bills and making a couple of other local donations. This is a club that like all clubs has a rich history and represents a tremendous loss to archery in California. This is a good example of how quickly it can happen and how hard it is to jump start in a new place Please join me in saying a huge thanks to Bob Mattos and the entire Orestimba team and wishing them success in whatever direction they choose. They have requested that the money go to the Range Fund and that is where it will stay until called upon for the proper use improving a range in California.

March began with some event preparation in earnest. The State Broadhead in May, see the flyer for more information. Be ready for Memorial Day weekend!! The shoot is taking place at the same venue as last year near Castaic. Big thanks to Nomad Archers for stepping forward and putting in the work again this year. We have some great sponsors again and I know it will be a first-class shoot. There are a lot of 10K drawing tickets still available so see the committee members (well...ME really...he he) and purchase one or ten...or more!! I think I am going for the Joe Dotterer sales award this year! Seriously, make plans for this one. The camping is great and you can't help but have a fun time.

Please make plans for the State Field Tournament. As always, it will be the second weekend in June and will be held at Yolo Bowmen this year. I have not shot the Yolo range but am excited to head up there and participate. I hear some wonderful things about the club and am excited to meet some new members. Dan Stafford will be Tournament Director again this year and always runs a first-class event. Field archery is a grind so get out and start getting in shape now! More details to follow as we get closer.

It looks like Oranco will be hosting the State Unmarked and State Marked yardage championships again this year. Make plans now. For any clubs that are looking to make some fairly easy money I would encourage you to get involved with your regional representatives and make a plan to host next year. The State tournaments are not that hard to do and it's good money for your club. Especially when you piggyback!

We will be having our usual Mid-Year Presidents meeting, but this year in July as time just didn't permit it in June. Get with your regional President if you

would like to discuss anything of note or concern. No official business or vote may be conducted at this meeting, but it is good for information, and we will also be having a meeting of the by-laws committee on Friday to address some petition details for next year's meeting. Drop me a line if you have some issues that you would like to discuss. It's that time of year again!! Yes, Tax Day just passed, BUT...it's also time for purchasing hunting licenses and drawing apps for the big game draw. Licenses should be ready on the 15<sup>th</sup> of April or thereabouts as usual. For those who may be new to the process, get with a senior member of your club or hunt chairman and get some help. It's not that hard and always a lot of fun when you draw something cool. As we all know, it's not cheap in California but we have a lot of public land and if you know the right people you can get the animals a lot easier than you think. Hunter Education is still on-line only, so jump on your computer and get that out of the way and get in on the fun.

Thank you to J-Barr and his team for the big weekend in Palo Verde, Small Game Club Carp and Tilapia shoots. He and his team did a fantastic job promoting these two shoots and I have to say he comes up with the coolest awards anywhere! Get on the CBH and BGC websites for all the details.

Suffice it to say there has been much legislation to talk about both good and bad. I will defer to Amanda as the new subject matter expert for all the Legislative details in her articles. We will be trying to get more information on the social media platforms for those that choose that format over newsletters. More to follow but stay tuned.

In closing, I would say good luck to everyone headed to the shoots coming up. Break the Barriers and Western classic should be great successes this year if gas prices don't keep everyone at home. As always, I want to encourage everyone to get involved with your local clubs. If we don't stay active at the club level, we are going to run out of places to shoot. As I said earlier, Orestimba is a cautionary tale of just how quickly it can happen. That may not sound like a big deal to those out in the country, but to us city dwellers it's a problem. Whether you know it or not, shooting a bow is illegal inside many city limits. You may want to shoot in the yard, but it only takes one jerk neighbor to shut you down. Clubs and the local archery pro shops are an important lifeblood in our community. Please keep the support. Thanks to all of you for all your doing stay safe until next time.

# Regulatory Highlights

By Amanda Duchardt,  
Terri Faulkner and Joe Wylie

Did you know – California Fish and Game Code (FGC) §3004 makes it illegal to hunt and discharge a deadly weapon while within 150 yards of a residence or other building? FGC §3004 further prohibits the discharge of a firearm or release of an arrow or crossbow bolt over or across a public road or other established way open to the public in an unsafe and reckless manner.

With more and more residents moving to the country throughout California and the growing population of turkeys, wild pigs, deer and predators therein, urban hunting may help alleviate negative human-wildlife interactions and offer attractive hunting opportunities that would help recruit, retain and reactivate (R3) hunters. But where is urban hunting allowed?

In 2010, Contra Costa County Supervisor Gayle Uilkema proposed to ban archery practice and hunting with archery equipment in unincorporated Contra Costa neighborhoods and commercial districts after residents complained about an arrow shot from a neighbor's porch flying across a road and hit a deer "with a thump like a watermelon."

Local archers, archery shops, and CBH/SAA were instrumental in defeating this proposal that would have made criminals out of people who target practice in their backyards, hold archery tournaments, or work on their scouting archery badges.

This story also highlights the importance of following laws and regulations while hunting and how bad actors can create problems for the archery and hunting communities.

As summarized in the Legislative Team Update, there are several bills working through the State legislature that clamp down on guns, gun ownership, etc. CBH, together with our partners in the California Hunting and Conservation Coalition, (CHCC), work to defeat overreaching legislation and watch for indications that legislatures will someday move to restrict archery.

Are you familiar with local hunting and archery ordinances in your City/County? Where have you seen successful urban hunting regulations that could help increase hunting opportunities and R3? The CBH Legislative Team wants to hear from you!

**Legislative Team Update** -Over the last several months, the CBH Legislative Team has taken the following actions on behalf of our members:

- Helped defeat **AB 1223 Firearm Excise Tax** by signing coalition letter of opposition and sending clear and consistent messages to the legislature to "Just vote NO!".
- Signed letters of support for the **confirmation of FGC commissioners** Jacque Hostler-Carmesin, Samantha Murray and Erika Zavaleta. The FGC is now comprised of a female majority and these women have proven their understanding and fair support for the hunting, fishing and conservation communities.
- Signed a coalition letter of **support to appoint John Ballotti to the FGC** replacing the retired Commissioner Silva. Do you know someone that you would like to see appointed to the FGC? It is important that we help identify potential candidates and initiate a vetting process before vacancies are identified to help ensure appointees reflect our values and support the role of hunters and anglers in the conservation process.
- Expressed concern for **SB 865 Wild Pigs** and are now working with Bill Gaines to lobby for amendments that will protect Big Game Management funds, promote sustainable enforcement and defend against poaching of other game species, and preserve hunting opportunities for veterans and disabled archers.
- Signed a coalition letter of support for **SB 865 Junior Hunting License** that will increase the eligibility age of junior hunters from 15 to 17 in an effort to influence youth and retain adult hunters. SB 865 recently passed out of Senate Natural Resources and Water Committee after being amended to include a 5-year sunset. Next, it moves on to Senate Appropriations Committee where it must be heard by May 20th to meet legislative deadlines.
- Signed a coalition letter of opposition for **SB 915 Firearms (State Property)**. This bill would prohibit the sale of any firearm, firearm part or ammunition on state property.
- Signed a coalition letter of support for **SB 945 Falconry**. This bill would allow Peregrine falcons to be possessed for the sport of falconry. Peregrine falcons were removed from the federal and state endangered species list in 1999 and 2009, respectively after populations made an amazing recovery following federal bans on the use of the pesticide DDT.

## CBH/SAA ANNUAL MEETING HIGHLIGHTS

CBH/SAA Secretary, Pam Severtson

Welcome to the new CBH/SAA Treasurer – Stephan Grothues. For many, many years, Terry Mikesell had held that position until her health could no longer hold on. Her grit and determination will be missed and we thank her for the many years she had given us. Now for Stephan, he is learning the ropes. There is no doubt he will keep us on the straight and narrow.

The **NEW** P.O. Box for CBH Treasurer is; CBH/SAA, P.O. Box 27248, Anaheim, Ca. 92809. This address is used for payments on advertising or donations. Your membership dues will still be sent to Shingletown. All addresses are updated page 2 of this newsletter.

CBH/SAA also has a new Vice President – Alan Eagleton. Alan stepped up when we lost George Papac suddenly last summer. Alan has been around archery for oodles of years. He too will do a great job and we are looking forward to working with him.

We had a great and informative meeting with Bill Gaines of Gaines and Associates. He is our representation on all legislative items at the State Capital. He keeps us well informed and fights for us and our rights.

The newsletter.....we need to get more persons signed up for an emailed newsletter instead of print. We can certainly save a lot of money that could end up going to better use. However, on the upside of the newsletter, if you receive it by email, you will receive it earlier than when it is out in print, and it is in color. See the "Attention" notice within this letter.

For all regions and clubs, due to the experience CBH/SAA went through, we are strongly advising all clubs and regions make sure that their banking situations are in order. You need to verify with your banks that there are at least two signers on your account(s).

Make sure they are up to date, don't take their word for it, confirm it. It will be less stressful and a smooth transition if something should happen.

The Broadhead Shoot that passed by last May was truly a success. Nomad Archers in Castaic did a phenomenal job in getting a range put together in a few months' time. And, guess what? They will do it again this year!!! Mark your calendars for Memorial Day weekend -May 28-29.

Small Game is gearing up for some bow fishing shoots! They are also encouraging everyone to get involved with harvesting small game. How about getting some youth involved! They can't do it themselves, let's get them going! Check out the website for more information!

We are on the lookout for a new 2<sup>nd</sup> VP of Field. Our current 2<sup>nd</sup> VP, Daniel Stafford, will be resigning at the end of the year as he is moving out of state. However, he would like to train someone on how to do the job. This would entail running the State Field and the State 3D Marked tournaments, along with attending the State Meeting and Mid Year Meeting. If you are the least bit interested, please reach out to Daniel or to CBH President Chriss Bowles to discuss. Contact info listed on the front cover.

2021 State Target and 2022 State Indoor were both down a bit in numbers, but this should be picking up again this year and going forward as things get back to normal.

We had another change in officer positions this year. Our Legislative Coordinator, Robert Moore has had to step down due to health reasons. He has done a tremendous job for CBH/SAA and had a great working relationship with Bill Gaines. In his footsteps, Amanda Duchardt has been appointed to the position.

Continued on page 12 & 17

# ATTENTION!!!!

At the Annual Meeting there was much discussion on the newsletter and how it should be distributed....

We NEED your HELP!!!

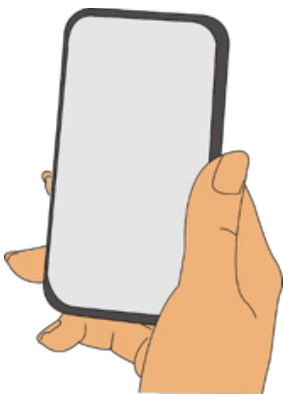

We would like to decrease our cost for the newsletter, but in order to do so, we need to have more of you sign up for the newsletter to be EMAILED TO YOU!!!

There was discussion as to having it as email only....but, we know this will not work for some of you. If you must receive it by mail, we must know this by July 1<sup>st</sup>.

If you are NOT receiving the newsletter by email yet and choose to change over to email *now*, please send the CBH/SAA Secretary an email advising such. Please one email address per household. Send the head of household name to: [mpsevertson@frontiernet.net](mailto:mpsevertson@frontiernet.net).

If you are choosing to still receive it by the post office mailing, you may either drop us a note to; CBH, 7710 Camino Vista, Shingletown, Ca. 96088 or, call and leave message at 530-474-3324

*Thank you for all your help*

**CBH/SAA Annual Meeting highlights** from page 10 - Amanda has been on the legislative team for many, many years and is well versed in what is going on legislatively. There is no doubt in our minds that she will do a great job....she has already assembled a team to assist her. They are individuals in each region throughout the state and they are ready to go.

Johnnie Waddles, our IBEP Instructor was dealt a blow when his wife of almost 60 years passed away. It was great to see him and give him our support and prayers. Johnnie still reported on the successes CBH/SAA has had with instructing individuals on bow hunting. Archer numbers on being licensed to hunt are increasing. With only online instruction this year, once all pandemic restrictions are lifted, they will resume the field day instruction.

A petition was submitted to amend the name of the State Traditional in memory of George Papac. George was instrumental in getting this tournament going, he loved it. As tough as the discussions were and everyone loved George, the name won't change. However, a strong suggestion was made to have a perpetual trophy in George's name at the shoot.

One of the emergency petitions that was presented was for the Recurve off the shelf rules. We didn't have any and now we do. Also, there is a clarification to the Longbow rules. Please refer to the CBH/SAA Bylaws on the website for the explanation.

NFAA representation.....Gary McCain explained that the more NFAA members we have, the more voice we have at the NFAA meeting. This is where petitions (agenda items) are discussed and voted on. CBH is so close in getting to 2,000 members, which means that when we reach 2,000 we will have 5 votes instead of 4 at the NFAA meeting. That can be huge in decisions! If you are already a CBH member, you can become an NFAA member. NFAA membership includes CBH, so if you want to change over, contact the CBH/SAA Secretary on how best to do this....it's easy!!!

The State Field will be held at Yolo Bowman on June 11-12, 2022. Stay tuned for details!

This pretty much wraps up a lot of the discussion at the meeting and I will close with one last comment.....The Broadhead tickets are out there for sale!!! Take a chance at the reverse raffle. Reach out to any CBH/SAA Officer and if they don't have tickets, they know who will. You can also sponsor a target at the State Broadhead...either a business, group of individuals or just yourself! See your name advertised and support the Broadhead Shoot.

**Out in the Woods** Continued from page 7 The handle fit nicely into the web of my palm with no inward thumb roll,... sweet!.Limbs were available from \$85 to well over a thousand - I would NOT go down that road. Poundages were also widespread starting at 20 pounds and escalating to over 65#. What would be the utmost were smoothness and effectiveness of the various limb choices. Well, I had to know so several different combinations were tried beginning with the 55# I was quite comfortable with currently. Also a starting point would be with some of the arrows I had with ultimate weight forward for penetration performance capabilities. I had already done some research as to the lightest shafts available with consideration to details important to me. They had to be tough enough to take what was demanded of them. Delving into qualities of penetration capabilities, kinetic energy, shaft diameter, wind drift, accuracy and speed must all be considered. Tune-ability and performance of course make the final decision in my book. The first arrows would be 465 and 590 grain arrows shot out of 40# limbs manufactured by three different companies.

The next testing dropped to 30# limbs I wouldn't hunt with, but to build a base line from the same company's limbs firing 576 grain weight of arrows then the same with 45# limbs (blue on left). Continued on page 18

**Out In The Woods** From Page 17

Followed by 40# and 45# limbs with 390, 425 and 485 grain arrows (as seen on the right side).

Even though speed means little to me with heavy arrows and extremely high F.O.C. an arrow with impressively faster arrows will render higher kinetic energy. I did have one set

of 52# limbs at my draw weight which when shooting 512 grain arrows rendered 190fps and 41 kinetic energy. Out of the same bow shooting 585 grain arrows the speed dropped in 179 fps and remained at 41 KE. So for me in this scenario I would probably yield to a faster arrow as it gets the same energy there quicker. In the case of pronghorn and whitetail this could be the difference in a quick harvest or an arrow shot over the reactionary dropping each species displays on arrow deployment. Late fall is a fine time to tinker and just might open a new door for next year's hunt or the springs' tournament shooting. These are just my personal results and surely aren't factual guarantees by any means. The objective here was to share some experimentation with readers and hopefully encourage each to experiment on their own. Attack with learning in mind, have a playful attitude and HAVE FUN!

**Sloppy Does**  
(Courtesy of [allrecipes.com](http://allrecipes.com))

Sloppy joes made with venison, preferably from a female. Serve on sesame buns. Original recipe yields 4 servings

**Ingredients:**

Ingredient Checklist

- 1 teaspoon olive oil
- 1 pound ground venison
- 1 jalapeno pepper, seeded and diced
- ½ cup ketchup
- 1 clove garlic, diced
- 2 teaspoons molasses
- 1 teaspoon prepared yellow mustard

**Directions:** Step 1- Heat olive oil in a skillet over medium heat; brown ground venison with jalapeno pepper in the hot oil, stirring often, until meat is crumbly and no longer pink, about 10 minutes. Stir ketchup, garlic, molasses, and yellow mustard into the venison mixture, bring to a boil, and reduce heat to low. Simmer at least 10 minutes.

Step 2 -Enjoy!

**Legislative Team Update** from page 10

Continued on page 19

- Signed a coalition letter of opposition for **SB 906 Firearms (School Disclosure)**. This bill is largely duplicative of existing gun ownership regulations and requirements and represents a gross invasion of privacy with the potential to negatively impact children’s educational opportunities, gun ownership, hunting, and funding for conservation.
- Tracked **AB 1737 Children’s Camps** (CBH Opposes), **AB 1688 Firearms Remove Microstamping from Handgun Roster** (CBH Supports), and **AB 1753 Poaching** (CBH Supports).
- Signed a coalition letter of opposition to the Humane Society of the United States’ (HSUS) petition to the FGC to **ban bear hunting**. Bill Gaines also provided verbal comments on behalf of CHCC and CBH at the FGC meeting in February. The FGC referred the petition to the Department of Fish and Wildlife (CDFW) for recommendation by the April 20, 2022 FGC meeting.
- Reviewed and discussed additional **petitions submitted to the FGC** with the CHCC including a

petition for a “traditional only” deer tag and an “omnibus” petition that calls for sweeping changes to big game tags. These petitions were submitted to the FGC by members of the hunting community and while CBH and the CHCC recognize the issues these petitions are targeted to address, additional analysis is needed.

**Special Notice:** At the February FGC meeting, the Commission voted to adopt proposed amendments to big game regulations to include preference points reinstatement and tag refunds due to public land closures for 2021-2022 hunting seasons (Amend Section 708.14, Title 14, CCR). The Commission also authorized the publication of a 15-day notice to clarify that the regulation does not sunset. Please watch the CDFW website for more information on how to request preference point reinstatement and tag refunds prior to this year’s Big Game Drawing. **TIME TO ACT WILL BE SHORT!**

For a copy of the latest Gaines Report, please email [CBHLegTeam@gmail.com](mailto:CBHLegTeam@gmail.com). Want the latest FGC updates and meeting details – visit <https://fgc.ca.gov/Meetings/2022>.

**Sunday, June 5th, 2022**

Registration @ **7:30A**

Shoot Starts @ **8:30A**

Rules, regulations, map and general information on back of flyer

## CBH/SAA State Broadhead Championship Tournament General Working Mechanics

1. This tournament is designed to appeal to the bowhunter as opposed to the tournament archer. It is designed to offer the hunter some benefits without his/her becoming entangled in the aspects of a Field tournament. NFAA rules do not apply to this event
  2. The State Broadhead Tournament shall be either a one or two day event held on Memorial Day weekend.
  3. The 2<sup>nd</sup> Vice President of Hunting or his delegate shall govern this tournament.
  4. The range for this event shall be laid out in such a manner as to simulate hunting conditions when possible.
  5. Archers shall use hunting tackle for this event which is in keeping with California State Fish & Game Laws on Big Game Hunting.
    - A. Scoring:
      - 1) Vital - 10 Kill - 8 Wound - 5
      - 2) An arrow must be in the target to score, except a "Pass-through" which must be witnessed and scored as witnessed by other shooters in the group.
      - 3) "Bounce-ins and "Glance-offs" shall not score.
      - 4) "Antlers" do not score.
      - 5) Shaft of arrow must touch the line for higher score.
      - 6) Double scoring is required.
      - 7) This shall be a one-arrow tournament at unmarked yardages.
    - B. Divisions and Styles of Shooting:
      - 1) Divisions
        - a) Seniors (65+)
        - b) Adult (18-64): Male and Female
        - c) Young Adult (ages 15-17): Male and Female
        - d) Youth (ages 12-14): Male and Female
      - 2) Styles
        - a) Sight (S)
        - b) Non-Sight (NS)
        - c) Release (R)
        - d) Recurve (Rc)
        - e) Traditional (T)
    - C. Awards:
      - 1) CBH/SAA Membership (Regular or Associate) is required to compete for awards.
      - 2) Guest Class is one class (Male and Female combined) and there will be no awards.
      - 3) No awards will be mailed.
      - 4) Cubs and PeeWees Participation Award Only
    - D. Tackle:
      - 1) One stabilizer not over 12 inches, allowed. A Quivalizer is not considered a stabilizer
      - 2) Bow quivers are allowed in all styles.
      - 3) No magnifying scopes are allowed.
      - 4) No compound bows over 80 pounds peak draw weight. Recurves and longbows have no limit
      - 5) Binoculars are allowed No range finding binoculars allowed even with the battery removed **NO RANGE FINDERS Period!**
      - 6) Broadheads must be dulled and meet Fish & Game Codes at all times during the shoot – expandable broadheads are allowed if they meet Ca. Fish & Game Codes.
  - 7) Practice blades are allowed if they meet Fish & Game Codes (7/8" minimum diameter)
  - 8) Broadheads may be subject to size testing at any time during the tournament.
  - 9) All bows shall be limited to 300 fps with a 3% tolerance for differences in chronographs.
  - 10) Arrow speed may be checked anytime during the tournament.
  - 11) Longbows: Any type of arrow shaft is allowed.
  - 12) Longbows: Must be shot off the shelf
  - 13) Clickers allowed in all styles.
- E. Miscellaneous:
- 1) Cubs and Peewees will shoot field points only
  - 2) Parents will be responsible for the supervision of their children at all times.
  - 3) All protests to the Protest Committee must be in writing within thirty (30) minutes of the end of the tournament each day and include a \$25.00 fee which will be returned if the protest is upheld.
  - 4) There must be a minimum of three shooters per target at all times.
  - 5) Top shooters from each style will be grouped on the 2<sup>nd</sup> day of the tournament. Cubs and Peewees will not be allowed to shoot in top flight groups. **NO EXCEPTIONS**
  - 6) No target or sight notes allowed (sight tapes ok)
  - 7) No discussion of yardage prior to shooting. Discussions afterwards must be done in a manner to ensure that other archers who haven't shot will not be assisted.
  - 8) No one is allowed on the tournament course before or after the tournament shooting hours – except for tournament officials.
  - 9) Spectators will only be allowed with unanimous approval of the group.
  - 10) Rule violations can result in disqualification.
  - 11) **NO** cell phones, computers or any other electronic devices allowed on the range or bow.
  - 12) Tournament officials will have communication devices for emergencies and range duties.
  - 13) Unsportsmanlike conduct can result in disqualification.

## **Thank You for your Donations to the CBHSAA Legislative Defense Fund! By Amanda Duchardt - Legislative Coordinator**

The CBH/SAA Legislative Team would like to extend our wholehearted thanks all those that donated to the Legislative Defense Fund. It is our goal to promote wildlife conservation and protect our archery and hunting heritage within the state political system. With your donations, the CBH/SAA Legislative Team can attend important meetings and react to issues that are impacting our sport. We can also meet our financial obligations to Gaines and Associates, who represent us in the state capital and FGC meetings throughout the State. Additionally, it is our responsibility to cover expenses such as when we need to retain a legal team to protect us and our sport. This is why your donations, in any amount, are so important. Again, we thank those listed below in addition to those that donated previously for their support!

### **THIS MONTH'S DONATIONS INCLUDE:**

**THANK YOU**

*Archery Clubs, Regions, Organizations and Businesses:*

**Mission Trail Bowhunters Association \$500, Cascade Archers \$500,  
Orange Belt Field Archers \$2,500, Long Beach Bow Hunters \$1,754.23,  
Oranco Bowmen \$2,000, Diablo Bowmen Archery Club \$96**

**THANK YOU**

*Individuals:*

**Bill Leal \$10, Gilbert Olivas \$50, Amanda Duchardt \$50,  
Cody and Tasha Morelock \$40**
