There was a couple of elk poaching incidents in Humboldt County. First, 4 cow elk were shot see the article here, <https://krctv.com/north-coast-news/eureka-local-news/cdfw-2500-reward-offered-after-4-roosevelt-elk-poached-in-humboldt-county> several groups have offered a reward for arrest and conviction.

Second, a bull was shot with an arrow in Redwood National and State Park out of Orick. Here is a link to a local article in relation to this poaching incident.

Legislation 2019/2020, below is a list of bills within the state legislature that we are tracking and providing comment on. This is just a partial list of bills in the state legislature that could affect sportsmen.

AB 18 (Levine) – Firearms: Excise Tax, would add additional cost to purchasing a firearm. AB 18 was held in Assembly Appropriations Committee and not heard. Failing to meet the legislative deadline for passing out of fiscal committee to the Floor, *AB 18 is now a "two-year" bill, at best, and cannot be heard until the 2020 Legislative Session.* **AB 44 (Friedman) – Fur Products: Prohibition**, make it a crime to sell, offer for sale, display for sale, trade, give, donate, or otherwise distribute a new fur product in the state. The bill would also make it illegal to manufacture a fur product in the state. *AB 44 is now on the Assembly Floor where it could be brought up for a Floor vote at any time*

AB 273 (Gonzalez) – Recreational and Commercial Fur Trapping: Prohibition, would make it illegal to trap any fur-bearing mammal or nongame mammal for purposes of recreation or commerce in fur; **continued on page 5**

prohibit the purchasing or sale of raw fur, as well as products or handicraft items made from fur-bearing mammals and nongame mammals; and recast the authorization provided by a trapping license to only apply to the taking of furbearing mammals and nongame mammals, and remove the authorization of the sale of raw fur. AB 273 would also eliminate fur dealer and fur agent licenses. *Now on the Senate side, the bill has been referred to the Senate Natural Resources and Water Committee where it has been set to be heard on Tuesday, June 11th. The hearing will be held in State Capitol, Room 112, and will begin at 9:30 AM.*

AB 276 (Friedman) – Firearms: Storage, would require a person who is 18 years of age or older and who is the owner, lessee, renter, or other legal occupant of a residence to ensure that any firearm that person owns or controls is securely stored against theft or unauthorized access while that person is outside that residence. The bill defines a firearm as being “securely stored” if it is secured with an operable device that is listed on the Department of Justice’s roster of approved firearm safety devices and that is identified as appropriate for that firearm by reference to either the manufacturer and model of the firearm, or to the physical characteristics of the firearm that matches those listed on the roster for use with the device. *Failing to meet the legislative deadline. AB 276 is now a “two-year bill” and cannot be heard until the 2020 Legislative Session.*

AB 284 (Frazier) – Junior Hunting Licenses: Eligibility: Age Requirement, In 2014, AB 1709 – legislation authored by Assembly Member Jim Frazier (D/11-Fairfield) was signed into law which increased junior hunting license age eligibility from 15 to 17 years of age. However, that legislation included a “sunset” provision which requires the age eligibility to revert to 15 years on July 1, 2020, unless the provision is extended by subsequent legislation. As revised March 26th, AB 284 – legislation also authored by Assembly Member Jim Frazier – would extend the junior hunting license age eligibility of 17 years indefinitely. *AB 284 was held in Assembly Appropriations Committee and not heard. Failing to meet the legislative deadline for passing out of fiscal committee to the Floor; AB 284 is now a “two-year” bill, at best, and cannot be heard until the 2020 Legislative Session.*

Recognizing the importance of extending the junior hunting license age eligibility to the R3 Program and the need to do so prior to the July 2020 sunset, the bill’s sponsor, California Waterfowl Association and Gaines and Associate is working to find another viable vehicle to move this proposal forward during the 2019 Legislative Session.

AB 584 (Gallagher) – Sport Fishing Licenses As introduced, AB 584 by Assembly Member James Gallagher (R/03-Yuba City) remains a “spot bill” that, as introduced, makes non-substantive amendments to a provision of the Fish and Game Code which deals with sport fishing licenses. *Pursuant to Assembly Rules, AB 584 cannot be referred to a committee until it takes on substantive amendments. Missing legislative deadline, AB 584 is now a “two year” bill at best.*

AB 688 (Chu) – Firearms: Vehicle Storage Current law requires that a handgun in an unattended vehicle be either locked in the vehicle’s trunk, in a locked container out of plain view, locked in a container that is permanently affixed to the vehicle’s interior and not in plain view, or locked in a toolbox or utility box.

As introduced, AB 688 would make those requirements applicable to all firearms and would require the firearms to be secured to the vehicle’s frame using a steel cable lock or chain and padlock, or in a locked container that is secured using a steel cable lock or chain

and padlock or that is permanently affixed to the vehicle. *AB 688 was held in Assembly Appropriations Committee and not heard. Failing to meet the legislative deadline for passing out of fiscal committee to the Floor, AB 688 is now a “two-year” bill, at best, and cannot be heard until the 2020 Legislative Session*

AB 1254 (Kamlager-Dove) – Bobcats: Take Prohibition would, until January 1, 2025, fully prohibit the hunting of bobcats. Commencing January 1, 2025, AB 1254 would re-authorize the Fish and Game Commission -- through its normal mammal hunting rulemaking process -- to reopen a bobcat hunting season in any area determined by the Commission to “require” a hunt. The language of the bill specifies that, in doing so, the Commission shall consider the potential impacts of a bobcat hunting season, including: 1) bobcat populations; 2) bobcat wild prey; 3) disease abatement; 4) the control of invasive species, especially nutria; 5) consideration of public values with regard to the hunting of bobcats; and 6) the administrative, implementation, and enforcement costs to DFW and the Commission associated with bobcat hunting. *Regardless of the bill’s unreasonable price-tag, AB 1254 was pulled off suspense and heard in the Assembly Appropriations Committee on May 16th and passed out on a 13 to 5 party-line vote. AB 1254 was then brought up for vote on the Assembly Floor on May 23, passing out and over to the Senate on a 48 to 18 vote.*

AB 1387 (Wood) – Sport Fishing Licenses: 12 Consecutive Month Licenses would, in addition to offering California residents a traditional calendar year fishing license, require DFW to offer a license that is valid for 12 consecutive months beginning on the date of purchase upon payment of a fee that is equal to 130% of the cost of the traditional calendar-year sport fishing license. AB 1387 would require DFW to provide applicants for these licenses the option of signing up for automatic renewal of the license by electronic payment and would set the fee for licenses issued upon automatic renewal at the same price as a calendar-year sport fishing license. *AB 1387 was pulled off suspense and heard in the Assembly Appropriations Committee on May 16th, amended to include the current language, and passed out on a 13 to 0 vote, with five Members not voting. AB 1387 is now on the Assembly Floor where it could be brought up for a Floor vote at any time. Note that the bill’s sponsor, the California Sportfishing League (CSL), is not pleased with the amendments placed into the bill in Assembly Appropriations Committee that would require the DFW to continue to offer the current calendar license and offer a 365-day license at an inflated price. CSL is now working with Assembly Member Wood on potential amendments that would provide for a “365 day” license without a pricing premium.*

SB 395 (Archuleta) – “Wildlife Traffic Safety Act” would improve public safety and help protect our wildlife resources by reducing the frequency of vehicle-wildlife collisions on California’s roadways. Coined the “Wildlife Traffic Safety Act”, SB 395 would also help clean California’s roadways, while reducing the needless waste of a healthy, free-range wild food source. This legislation is sponsored by the California Deer Association with the assistance of Gaines & Associates, and in coordination with the Road Ecology Center at the University of California at Davis. *SB 395 was pulled off suspense and heard in the Senate Appropriations Committee on May 16th, passing out and to the Senate Floor on a 6 to 0 vote. Once on the Senate Floor the bill was placed on the special consent calendar, passing out on a 38 to 0 vote on May 23rd.*

WESTERN CLASSIC TRAIL SHOOT

BY PAM SEVERTSON

“Thank you” to those of you who came out and supported the Western Classic Trail Shoot for 2019! It means so much to our club, our community and our archery family. You put the smiles on our faces to see what we had worked on for 9 months, paid off ☺

As you know from our Facebook postings, that this was a difficult time for us....we worked so hard making sure the course was safe and accurate, trails were cleared, targets in place, archers in order, food was ready, vendors and sponsors in order, raffle ready to go, parking and camping finally taken care of, all of the little, but big things that add up, most of what the archer does not see.

By you all coming out and participating, makes it all worthwhile, so THANK YOU!

Even with the new part of the course, making it more challenging, we still had one individual that was 2 points away from perfect with a 1538. That was Domagoj Buden from Croatia. For the women, Linda Ochoa-Anderson shot a 1533.

The weather was just on the verge of a little warm for some, but really we couldn't have been more lucky. The weather before that week was ify and definitely the weather the weeks after was awful!

As many of you know, we had a fellow archer that suffered a heart attack Saturday morning before the shoot. I cannot be more grateful to the archers who did not know him and the members of our club that stepped in and gave this man CPR until medical arrived. Unfortunately, that afternoon he did pass. His name was Ray Crisp. He was from the State of Washington and gave so much to the kids in archery and the NASP Program. He will be remembered by so many of us.

In closing, with a short wrap up of the tournament, we are already planning on 2020, and stay posted on our Facebook page for any future updates. Thank you all again and we'll see you on the other archery courses throughout the state with bows in our hands!!!

Thank You for your Donations to the CBHSAA Legislative Defense Fund!
By Robert Moore- Legislative Coordinator

I want to thank those that have donated funds to our Legislative Defense Fund. With your donations, your Legislative Team, representing the six DFG Regions, can attend important meetings and react to issues that are impacting our sport. We can also meet our Financial Obligations to Gaines and Associates who represent us in the state capital, at all DFG meetings, and up and down the state when and where needed. Their goals are to promote wildlife conservation and protect our archery and hunting heritage within the state political system. However, we are, and always will be, responsible for all costs over and above their obligation to us. That is, when CBH/SAA has to retain a legal team to protect us and our sport, it will be at our expense. This is why your donations are so important to the Legislative Defense Fund in any amount you can afford. Again, I would like to thank those listed below in addition to those that donated previously for their support.

This Month's Donations include:

Archery Clubs, Regions, Organizations and Businesses:

Individuals:

Czeslaw Rogalski \$20, Phillip Murasko \$10

Tournament Donations/Other:

Amanda Duchardt \$50
