Please note CBH/SAA is not responsible for incorrect information printed on ads; are not created by CBHSAA. If changes or corrections must be made they must be made in writing prior to printing. ***All articles, stories and advertisements are the opinions and statements of the contributors and do not necessarily reflect the editorial opinions of this publication.***

PLEASE NOTE CHANGE!

HOW TO SEND YOUR AD: EMAIL YOUR ADS TO LORI RAUPE AT LORI.CBHSAA@GMAIL.COM. THE AD DEADLINE IS THE 25TH OF THE MONTH, WITH A ONE MONTH LAG. IF YOUR AD IS FOR THE JUNE ISSUE, SUBMISSION WOULD BE APRIL 25TH. EXPECT A CONFIRMATION WITHIN 72 HOURS, IF NOT RESEND OR CALL THE EDITOR. SEND ALL SUBMISSIONS IN A GENERIC FORMAT SUCH AS BMP, JPG, DOC, OR PDF. NOTE: SOME FONTS MAY BE REPLACED SO THE AD IS LEGIBLE. IF YOU SEND A PDF FILE, OR EMBEDDED FONTS, PLEASE SEND FILES LESS THAN 1MB IN SIZE.

PAYMENT: Please send payments to CBH/SAA Treasurer - Terry Mikesell, PO box 491990, Redding, CA 96049-1990. Payments must be received prior to the deadline with a Check, Credit Card or PayPal www.cbhsaa.net/advertising.html.

MEMBERSHIP, MISSING NEWSLETTERS, OR ADDRESS CHANGES: The post office **WILL NOT** forward your newsletter. Send your address changes to CBH/SAA - 7710 Camino Vista, Shingletown, CA 96088 or email mpsevertson@frontiernet.net. If you are also a member of NFAA, the CBH Secretary will forward the changes to NFAA headquarters.

President's Message by Wayne Raupe

Those of you who are new CBH/SAA State Target "900 Round" Champions, let me remind you that you that you still have a milestone to reach. That is to become a "Grand Slam Award" recipient. To accomplish this you must be, in a 12-month period, the Champion in all four State Championship Tournaments unless you are a Cub then it is only 3 Championship Tournaments which excludes the Broadhead Tournament. The next State Championship Tournament will be the CBH/SAA State Indoor Championship Tournament and will also be held at many different venues across the state. A flier for the tournament will appear in an upcoming issue of this magazine. Check your local clubs and archery pro shops to see where the nearest tournament will be. Good luck to you all!!!

January 12th, 13th and 14th will be here before we know it. This is the weekend that CBH/SAA will be holding its **Annual Meeting and CBH/SAA California Archery Hall of Fame (CAHOF) Banquet in Ontario** near Los Angeles. This will be a busy time for your Regional Officers and for your CBH/SAA officers and staff. If you would like to attend the meetings as a guest you are very welcome to do so. Remember, this is YOUR organization and you have a right to sit in and learn how things are done and see what is being done. As a guest, you do have the ability to provide input into the discussions when you are recognized, however, you can't vote during the meetings as that is the responsibility of your Region's officers that are in attendance. I would like to see more participation from you the members than we have been seeing in the past years so please feel free to attend.

In this issue of our Magazine you will find an announcement for the **CAHOF Banquet** which will be held on Saturday evening, the 13th. Also, you will find a short synopsis of their resumes giving you an idea of what they have accomplished in their lives with archery gear and how they have contributed to the preservation and promotion of archery in California and the Nation. We would be honored to have you in attendance and celebrate with us the induction of those that have made a difference. If you are interested in celebrating those inductions with us you can find the reservation information on the flier.

I personally want to congratulate **Gary McCain, Earl (EW) Williams and Jim Cox** for all they have done, all they have accomplished and how they have represented archers and archery not only here in California but also in other states and around the world. Congratulations you guys and I am extremely honored to be the President of CBH/SAA at this historic occasion

when you are inducted into the California Archery Hall of Fame!
GOOD JOB!!!

Some of our CBH/SAA members have already taken to the field in pursuit of the big game here in California and a few have connected. So far **Jake Ashbaugh** connected on a beautiful Blacktail buck and **Brent Miller** didn't want to end his hunt to quickly so he waited until 7:30am, on the first day of the season, before he loosed his arrow at a big 7 X 6 Tule bull elk. Both of these hunters have taken the time to send me photos of their success so you just might... no you will... see them in our magazine... we could also see you and your successes there if you would only send me your photos. Just another hint for those of you that do things, go places and have successes and wonder why only a select few get their pictures showcased in the magazine... and it's never yours. **SEND IN YOUR PICTURES, CAPTIONS & STORIES... PLEASE** and you too will get to see your smiles and experiences in the magazine.

I will be heading to Utah on the 12th of August for elk and deer and I could be gone for a month and a half or so. This means that I might not be responding to phone calls or emails quickly as service usually is less than desirable. I changed my phone server so I am no longer with Sprint. Being without phone service for weeks on end while hunting or just traveling is just a little frustrating. So, I changed to Verizon in hopes of having better service. I know I will still be without service in some areas but NOT as much as with Sprint. Also, with guidance from **David Bacon**, your CBH/SAA Webmaster, I bought a great laptop and with his help I'm getting it set up. **Lori Raupe** your CBH/SAA Magazine Editor has been getting all my data from my old computer downloaded onto this new one.

After she accomplished that task for me she, in a very nice subtle way, informed me that I must still get my President's Message to her... on time... no matter where I am or what I'm doing! Hmmm I guess I had better keep on top of it now that I don't have to compose my messages on my phone and I have no excuses! Have you been thinking about stepping up and taking over one of the offices that are being vacated in March? We need a President, Vice-President, 2nd VP of Hunting and a Small Game Chairman. You don't have much time to toss your hat into the ring as nominations will happen next month and ballots will be sent out in the December issue of this magazine. Election results will be announced in January and you will assume office on March 3rd, 2018. It is fun and very rewarding to hold one of these offices and you will be contributing to the preservation and promotion of Archery in California. Just an FYI... the ring has NO hats in it at this time!

Until next time... from somewhere in the woods... Always remember, we must remain one strong and united family no matter what kind of stick you shoot or bow you bend as there are predators lurking about working very hard to take your sport away from you.

IMPORTANT NEWS

SMALL GAME REPORT

By **BRET SCOTT**

It's with great sadness that I have to announce my resignation of my position. I will finish out the year till December 31. At which time I will no longer be able to do the job. Since acquiring my new business, Willow Creek Archery, I just don't have the time to run the bowfishing shoots and get all of the reports done in a timely manner. Since I work Saturdays I'm also prevented from attending the state meetings which I am a board member of.

I will be able to help who ever wants to take over this position, with all the responsibilities required. I have a manual with all of the information on how to run position and everything is recorded on the computer now making keeping track of breeze.

I have really enjoyed this position that Burt Malik started and I hope I did everyone proud on how how I took it forward. I would like to give CBH and Craig Fritz a big thank you for allowing me to run the Small Game Club and look forward to seeing what the next Chairman can do!

Sincerely,

Brett Scott,

Small Game Club Chairman

Legislative Report by Robert Moore

The next California Fish and Game Commission meeting (CFGC) will be August 16th in Sacramento. Agenda has not been posted at this writing but should include inland fisheries ISOR presentation from DFW. CBHSAA proposal related to bowfishing should be included in the ISOR.

The next Wildlife Resources Committee meeting will be held September 13 in Riverside. No agenda has been posted at this writing but the Predator Policy Group should be finalizing their recommendation soon. From the last FGC meeting priorities the WRC will be reviewing include; wild pig management, falconry regulations, Commission climate change policy, petition for stripe bass and predatory policy.

The Predator Policy Work Group held a meeting July 13th in Sacramento. Agenda items include final recommendations on draft predator policy and regulation change. A discussion on regulations 401, 465.5, 460 and 472 and a goal to final wrap up on predator policy changes at the next meeting.

The state legislature has started the next 2 year cycle for proposed laws. Bills not passed this year can be carried over to 2018. Several bills have already been introduced that affect sportsmen. Here is a list of bills related to hunting and their current positions in the legislature; AB478, increase age requirement for fishing license, in Appropriations Committee, update in suspense file. AB521, reduce the tag cost for resident elk tags, update now in the Senate Appropriations Committee, failed passage. AB573, depredation permits for wild pigs, update in Water, Parks and Wildlife Committee. AB986 reduced fees for veterans, in Appropriations Committee. AB1544 lead ammo ban relief, in Water, Parks and Wildlife Committee. AB1617, additional funding sources for DFW, update in Senate Natural Resources Committee. SB234 local regulation prohibition, update passed senate and now in assembly Water, Parks and Wildlife Committee. SB710 use of suppressors for hunting, in Public Safety Committee, update hearing canceled. Additional bills related to firearms and DFW budgeting are not listed at this time. Bills could change content when close to expiration with the term gut and amend. Our conservation partners in the Hunting Conservation Coalition also have lobbyists to monitor concerns of sportsmen. This network of information and participation is advantageous to keeping informed of laws and regulations that affect what we do.

UPDATE: Currently, We are on a month to month basis. It could take two years for our permit to be finished. Right now we can use the range at club level. We are still working with Fish and wildlife and BLM and both entities are struggling. For now we are still there but it could change at anytime. So all we can say is we are in a holding pattern.

Gary McCain

AS SOON AS POSSIBLE!

California Archery Hall of Fame – 2018 Inductees

Gary McCain – Gary was brought up with archery in his family growing up. From shooting in the yard to advancing to a local archery club and that was it, he was hooked. Gary would find any number of people that he could ride with to go to these “archery shoots”. It wasn't long after the experience of going to these shoots that Gary was asked to be the Range Captain for Nomad Bowmen

Archery Club. And, he took it.

When Gary and Sandy got married, they were definitely on the same track with their political views of archery and got involved with the local clubs, then regionally, then statewide and now as California Director to NFAA. When Gary got involved in organized archery he was provided a one line philosophy which he still stands by today and that is... “don't let them get away with anything!”

Gary has served on the CBH/SAA Big Game Club Committee for many years. He has several animals in the record books and animals in the Pope & Young Club.

Gary not only hunts with his bow, he is an accomplished target archer;

- 10 NFAA National Championship Titles
- 2 International Championship Titles
- 1 USA Championship Title
- 40+ CBH/SAA Championship Titles
- World, National, State, Regional and Local archery records
- Lifetime Achievement Award in the Big Game Club
- 1 World Bowhunter Team Champion
- Fresno Safari Champion – many times over
- Redding's Western Classic Trail Shoot Champion 5 times
- 3 CBH/SAA Big Game Record Book animals and 4 Pope and Young Record Book animals
- Archery instructor for Fish & Game, IBEP, National Wild Turkey Federation and Boy Scouts
- Numerous National, State, Regional, local offices held

Need we say more as to why this deserving individual is being inducted into the California Archery Hall of Fame.

Earl Williams – At the age of 9, Earl and his father were at the Army Navy store. A bow and arrow set was on the wall behind the counter and he really wanted it but knew better than to ask his dad for it. His dad noticed Earl's interest in the bow and arrow set. To Earl's surprise when his dad was at the cash register his dad asked for the set and handed it to Earl. That was the start of a lifelong love affair with archery.

At the age of 11 Earl was very proficient in shooting rabbits, squirrels, and anything else that moved. He began hunting big game as soon as he was old enough to obtain a hunting license. At the age of 14 he killed his first deer with his bow and arrow. While developing his love for hunting and pursuit of big game animals he met and became very good friends with Bob & Betty Gulman (CA HOF). Bob and Betty mentored Earl and took him on his first out of state hunting trip which became an annual event. Bob and Betty also introduced Earl to tournament archery which he enjoyed but he was really a hunter at heart.

Through the years Earl has proven his hunting skills over and over and over....He harvested his first deer at the age of 14 and as of a few years ago, he had harvested more than 85 deer.

His accomplishments over the years include;

- Harvested 85 deer
- Has entered 11 species into the CBH /SAA Big Game Record Book
- Received the California Deer Slam Award – he was the first recorded California hunter to achieve this... and includes a mule deer in 1975, blacktail in 1976 & Pacific Hybrid in 1977
- CBH/SAA Golden Eagle Society award – which requires the harvesting of 35 different California small game species
- Received the NFAA Art Young Big Game Award of Master Bowhunter in 1984 and accomplished that milestone a total of three times which qualified him for the Grand Master Bowhunter Award in 2001
- Harvested 5 elk
- Harvested more than 43 javelina while mentoring many young and first time hunters in the art of hunting these elusive gray ghosts
- Harvested seven black bear
- He also harvested many different species of small game while hunting out of state
- From his treestand one morning he harvested one coyote and two racoons
- At Oranco Bowmen, received awards - Big Game Hunter (2), Master Hunter (several times), Master Big Game Hunter, Big Buck award

But, he did still keep up with target archery....he received the CBH/SAA Grand Slam award for his winning four State Championships in a twelve month period. He won the State Indoor, State Field, State Broadhead and the State Target. He accomplished this in the year 2015-2016. He also received the Tournament Archer of the Year from Oranco Bowmen in 2015.

By the looks of it, Earl doesn't appear to be slowing down....it will be an honor to have him inducted into the California Archery Hall of Fame.

Wayne Raupe – Wayne came from a hunting family with 3 brothers and 3 sisters. His father started taking the boys hunting small game at the age of five and big game at the age of 12. The last 3 boys were less than two years apart. Wayne was the “little brother” and got the hand me downs. One of his hand me downs was a bow. As it always is with little brothers, the big brothers were always pushing him by setting examples that proved they could do everything better than he could. Wayne took the challenge and he proved his abilities to his brothers....and boy, did he.

Wayne had harvested numerous carp, cottontail, pheasants, doves and ducks....and the magpies by the hundreds. As years passed, the “big game” eluded him time after time, but he never gave up.

Three years after he returned from his tour of duty in Vietnam he returned to his love of archery and in 1979, he purchased a bow from Jim Velasquez and Bob Fromme at Weisser Sporting Goods. They pushed him into joining Bear State Bowhunters so he did. Bear State Bowhunters required that all of their members belonged to CBH/SAA and NFAA so Wayne joined both.

From there on out, Wayne was involved in the politics, promotion and preservation of archery....

1982 to 1984 – Legislative Representative for Bear State Bowhunters
1984 to 1988 – Vice President of Southern Border Archery Association (SBAA)

1988 to 1991 – Legislative Representative for SBAA

1989 to 1994 – Active spokesman for hunters

1991 to 1994 – Legislative Representative for Region #5

1994 to 1998 – CBH/SAA President

While serving as CBH/SAA President, he served on the committees of: California Archery Hall of Fame, Archery Foundation, Range Committee and the Big Game Committee

1998 to 2012 – Legislative Representative for Region #5

2011 to 2012 – CBH/SAA Legislative Coordinator

2012 to present – CBH/SAA President (again....)

Over the years, he has also served on the Small Game Committee, ran the Tilapia Jamboree, raised thousands of dollars for the Legislative Defense Fund, is a Senior Member of the Big Game Club with 9 different big game species that exceed the CBH/SAA Big Game Record Book minimum score, is a committee member of the DFW Big Game Budget Advisory Committee and Upland Game Advisory Committee, he is a BGC measurer, CBH/SAA State Field Champion, State Broadhead Champion and is also a committee member of the Rocky Mountain Elk Foundation.

The big game Wayne has taken with a bow include: American Elk 5 x 5, Barron Ground Caribou bull, 5 Pacific Hybrid bucks, Northern California Mule Deer buck, 6 Spanish Goats, 5 Moreno Sheep, Siskiyou County Black Bear, Wild Boar, Antelope, 3 Wyoming Mule Deer, 2 Jake and 2 Tom Turkeys and a coyote.

Wayne has given countless hours often forgoing hunting excursions to serve the California Bowman Hunters and other legislative battles for bowmen in California. It is about time he is inducted into the California Archery Hall of Fame.

Jim Cox – Archer, business owner, promoter, marketer, innovator, hunter....although he had owned bows and arrows all of his life, it wasn't until 1965 when he joined NFAA, the Salinas Bowmen and then he started competitive archery. He realized that shooting a right handed bow doesn't work too well for a lefty. He finally figured it out and got the “right” equipment and was hooked on competitive archery.

In 1974 (until 1995), Jim joined Martin Archery. He was the Chairman of Martin Archery Advisory Council and later became the Sales Rep for California and Nevada. His main position was in Research and Development and was instrumental in designing the Martin Cougar, the first metal handle riser. With Jim's background in auto body repair, he encouraged Martin to offer the risers in custom colors.

In the 1980's, together with Martin Archery, they developed the Dynabo and the Jim Cox Take Down Recurve. Jim was ahead of his time as the Dynabo had the positive stop (at one time, it was outlawed by CBH).

Jim also was looking out for the hunters and growing the archery community. He leased 27,000 acre Laguna Ranch and he and his partner ran 300-400 hunters through a year. Jim had sold his Elkhorn Archery Shop in 1989 and opened a new shop in 1990, Jim Cox Adventures, which is still open today. He is constantly teaching archery through community outreach in the schools, special needs youth and adult programs, 4H groups, Boys/Girls/Cub Scouts, corporate groups, evening leagues and special private events.

Jim had hunted both Catalina and Santa Cruz Islands over 50 times each, before they closed to hunting. He taught many archers over the years on bowhunting and how to set your equipment.

His other accomplishments and/or experience;

- Field tested product for numerous manufacturers
- Advisory staff member for Sagittarius Archery and Beaman Arrow
- Coach & technical advisor for U.S. Army Recreation Service Div at Fort Ord
- Official Measurer for Pope and Young
- State and National Champion, numerous times
- Licensed Guide for California
- Harvested game in Africa-impala, kudu, nyala, warthog & water buck. Australia-water buffalo, dingo and wild boar. Alaska-moose, black bear and caribou. Arizona-javelina and elk. California-antelope, black bear, blacktail deer, bobcat, coyote, mule deer and wild boar. Catalina Island-Spanish goat & wild hog. Colorado and Idaho-elk. Montana-antelope, coyote, elk, mule and whitetail deer. Missouri-whitetail deer. Nevada-coyote & mule deer. Ohio-whitetail deer. Oregon-blacktail deer, elk & mule deer. Santa Cruz Island-Merino sheep & wild hog. Utah-cougar & mule deer. Washington-elk, blacktail & mule deer. Wyoming-moose, mule deer & antelope. Texas-alligator. And, last but not least; badger, carp, ducks, fox, geese, jack and cottontail rabbits, pheasants, peacock, snakes, stingrays, tree & ground squirrels & turkeys... whew!!!

With the experiences this gentleman has been in and through, doesn't it just make you want to chat with him for a while...it's about time he is inducted into the California Archery Hall of Fame.

ARCHERY DEPARTMENT NOW OPEN! IN 4 LOCATIONS

For over 40 Years Turner's has been outfitting Shooters, Hunters and Anglers across Southern California and we are happy to announce our **Full Service Archery Department** to meet the needs of Archers from Beginners to Pros. Whether you're a seasoned bow hunter or a parent with little ones curious about this great sport, **Turner's** can now get you the gear you need for a successful day in the field or on the range. **Turner's** is an Authorized Dealer of Bowtech, PSE, Elite & Hoyt Bows. We not only have a large selection of arrows and all the accessories you need from the industry's top manufacturers, we are also a full service pro shop that can assist you with the complete setup, tuning or repair of your archery equipment. We welcome you to stop in our new archery department to meet our experienced Archery Technicians. Test the latest bows on the market in our test range or bring in that old bow of yours and let our pros get it back in shooting condition.

NEW!

From Our Historian - Scott Walker

1977

Matt Yuric, outstanding State and National Champion in tournament archery, became a champion in films on March 28th when he received that coveted "Oscar" at the 49th Annual Academy of Motion Pictures Arts and Sciences. Matt received his award and the Special Effects category for "Logan's Run." Matt is one of the nations outstanding landscape artists but is highly talented and special effects which gives him the opportunity to express his diversified talents. His exhibitions are the main attraction at the El Dorado Galleries in Sedona, Arizona. His film credits as his archery accomplishments and this multi-faceted artist was at his best in " The Towering Inferno", "Young Frankenstein", "The Greatest Story Ever Told", "The Robe", "Mutiny On The Bounty", and "Ben Hur". Logan's run is now being filmed as a pilot for television.

Matt's status as an archer is not a secret. He began his archery career as an amateur when he won the Castaways tournament in 1961, those aspirations were behind him and he joined the ranks of the "freestylers" (using a pin sight) and went on to win the 1962 Sahara-Colt NFAA Indoor National. From that day on he chalked up first place awards at the Pow-Wow, Safari, and State championship tournaments. His closest competitors at that time we're Lou Rangle and Clarence Kozlowski in 1961 he won the NAA York-Dbl. American and it was a good many years before his record was broken.

While talking to Matt he was asked what was your most outstanding memory while you were active in archery he replied there are many fond memories of friends and the fun we really had... but I think one of the most memorable is a foot race, down a hill, with a 25 year old Lou Rangle who thought he was going to :beat the pants" off the "ol man"...but didn't.

The archers of California extend their congratulations to find man a Talented artist and a great archer we hope he returns to the ranges soon.

THE BAD BOYS ARE BACK!

Thank You for your Donations to the
CBHSAA Legislative Defense Fund!
By Robert Moore Legislative Coordinator

I want to thank those that have donated funds to our Legislative Defense Fund. With your donations, you're Legislative Team, representing the six DFG Regions, can attend important meetings and react to issues that are impacting our sport. We can also meet our Financial Obligations to Gaines and Associates who represent us in the state capital, at all DFG meetings, and up and down the state when and where needed. Their goals are to promote wildlife conservation and protect our archery and hunting heritage within the state political system. However, we are, and always will be, responsible for all costs over and above their obligation to us. That is, when CBH/SAA has to retain a legal team to protect us and our sport, it will be at our expense. This is why your donations are so important to the Legislative Defense Fund in any amount you can afford.

Clubs, Regions, Organizations and Businesses may show the amount of their contributions as a way to inspire others to do the same. Again, I would like to thank those listed below in addition to those that donated previously for their support.

This Month's Donations include:
Archery Clubs, Regions, Organizations and Businesses
Black Mountain Bowmen Archery Club, \$500

Individuals:

Rudy Jimenez, Marlin Stapleton, \$50, Cliff Burger, \$20, Matthew Petrini, \$20, John Gonzales, \$10

Tournament Donations/Other:

Cougar Mountain Archers, \$243

Kern River Archers \$141

CBHSAA Small Game Club, \$17
