From previous FGC meeting, modified Title 14 section 354 to a 30lb minimum draw weight for big game and carry fire-

arm while bowhunting during an Archery Only season or Archery Only tag has finalized with the Office of Administrative Law approval. The firearm change doesn't apply for deer hunting due to language in Fish and Game code. The code can only be modified by the state legislature and there is no current bill to do so. Caution; if you're in possession of a deer tag and it's the archery season or Archery only tag but claim to be only bear hunting and possess a firearm, you could be cited but is dependent on the Wildlife Officer.

A Wildlife Resources Committee will be held Tuesday September 10th in Santa Rosa. No agenda has been posted at this time.

Legislation 2019/2020, below is a list of bills within the state legislature that we are tracking and providing comment on. This is just a partial list of bills in the state legislature that could affect sportsmen.

AB 18 (Levine) – Firearms: Excise Tax, would add additional cost to purchasing a firearm. AB 18 was held in Assembly Appropriations Committee and not heard. Failing to meet the legislative deadline for passing out of fiscal committee to the Floor, *AB 18 is now a "two-year" bill, at best, and cannot be heard until the 2020 Legislative Session.*

AB 44 (Friedman) – Fur Products: Prohibition, make it a crime to sell, offer for sale, display for sale, trade, give, donate, or otherwise distribute a new fur product in the state.

From page 4

The bill would also make it illegal to manufacture a fur product in the state. *AB 44 is now in the Senate Appropriations Committee*
AB 273 (Gonzalez) – Recreational and Commercial Fur Trapping: Prohibition, would make it illegal to trap any fur-bearing mammal or nongame mammal for purposes of recreation or commerce in fur; prohibit the purchasing or sale of raw fur, as well as products or handicraft items made from fur-bearing mammals and nongame mammals; and recast the authorization provided by a trapping license to only apply to the taking of furbearing mammals and nongame mammals, and remove the authorization of the sale of raw fur. AB 273 would also eliminate fur dealer and fur agent licenses. *Now on the Senate side, the bill has been referred to the Senate Natural Resources and Water Committee.*

AB 276 (Friedman) – Firearms: Storage, would require a person who is 18 years of age or older and who is the owner, lessee, renter, or other legal occupant of a residence to ensure that any firearm that person owns or controls is securely stored against theft or unauthorized access while that person is outside that residence. The bill defines a firearm as being “securely stored” if it is secured with an operable device that is listed on the Department of Justice’s roster of approved firearm safety devices and that is identified as appropriate for that firearm by reference to either the manufacturer and model of the firearm, or to the physical characteristics of the firearm that matches those listed on the roster for use with the device. *Failing to meet the legislative deadline.*

AB 276 is now a “two-year bill” and cannot be heard until the 2020 Legislative Session.

AB 284 (Frazier) – Junior Hunting Licenses: Eligibility: Age Requirement, In 2014, AB 1709 – legislation authored by Assembly Member Jim Frazier (D/11-Fairfield) was signed into law which increased junior hunting license age eligibility from 15 to 17 years of age. However, that legislation included a “sunset” provision which requires the age eligibility to revert to 15 years on July 1, 2020, unless the provision is extended by subsequent legislation. As revised March 26th, AB 284 – legislation also authored by Assembly Member Jim Frazier – would extend the junior hunting license age eligibility of 17 years indefinitely. *AB 284 was held in Assembly Appropriations Committee and not heard. Failing to meet the legislative deadline for passing out of fiscal committee to the Floor; AB 284 is now a “two-year” bill, at best, and cannot be heard until the 2020 Legislative Session. Recognizing the importance of extending the junior hunting license age eligibility to the R3 Program and the need to do so prior to the July 2020 sunset, the bill’s sponsor, California Waterfowl Association and Gaines and Associate is working to find another viable vehicle to move this proposal forward during the 2019 Legislative Session. AB1305 was gut and amended with this bills language to move forward this year. Bill is in the Senate Rules committee.*

AB 584 (Gallagher) – Sport Fishing Licenses As introduced, AB 584 by Assembly Member James Gallagher (R/03- Yuba City) remains a “spot bill” that, as introduced, makes non-substantive amendments to a provision of the Fish and Game Code which deals with sport fishing licenses. *Pursuant to Assembly Rules, AB 584 cannot be referred to a committee until it takes on substantive amendments. Missing legislative deadline, AB 584 is now a “two year” bill at best.*

AB 688 (Chu) – Firearms: Vehicle Storage Current law requires

that a handgun in an unattended vehicle be either locked in the vehicle’s trunk, in a locked container out of plain view, locked in a container that is permanently affixed to the vehicle’s interior and not in plain view, or locked in a toolbox or utility box.

As introduced, AB 688 would make those requirements applicable to all firearms and would require the firearms to be secured to the vehicle’s frame using a steel cable lock or chain and padlock, or in a locked container that is secured using a steel cable lock or chain and padlock or that is permanently affixed to the vehicle. *AB 688 was held in Assembly Appropriations Committee and not heard. Failing to meet the legislative deadline for passing out of fiscal committee to the Floor; AB 688 is now a “two-year” bill, at best, and cannot be heard until the 2020 Legislative Session*

AB 1254 (Kamlager-Dove) – Bobcats: Take Prohibition would, until January 1, 2025, fully prohibit the hunting of bobcats. Commencing January 1, 2025, AB 1254 would re-authorize the Fish and Game Commission -- through its normal mammal hunting rulemaking process -- to reopen a bobcat hunting season in any area determined by the Commission to “require” a hunt. The language of the bill specifies that, in doing so, the Commission shall consider the potential impacts of a bobcat hunting season, including: 1) bobcat populations; 2) bobcat wild prey; 3) disease abatement; 4) the control of invasive species, especially nutria; 5) consideration of public values with regard to the hunting of bobcats; and 6) the administrative, implementation, and enforcement costs to DFW and the Commission associated with bobcat hunting. *Regardless of the bill’s unreasonable price-tag, in Senate Appropriations Committee*

AB1305 (Olberholte) - Junior Hunting Licenses: Eligibility: Age Requirement, see AB284 language above.

In Senate Rules Committee

AB 1387 (Wood) – Sport Fishing Licenses: 12 Consecutive Month Licenses would, in addition to offering California residents a traditional calendar year fishing license, require DFW to offer a license that is valid for 12 consecutive months beginning on the date of purchase upon payment of a fee that is equal to 130% of the cost of the traditional calendar-year sport fishing license. AB 1387 would require DFW to provide applicants for these licenses the option of signing up for automatic renewal of the license by electronic payment and would set the fee for licenses issued upon automatic renewal at the same price as a calendar-year sport fishing license. *Bill is now in Senate Natural Resources Committee.*

SB 395 (Archuleta) – “Wildlife Traffic Safety Act” would improve public safety and help protect our wildlife resources by reducing the frequency of vehicle-wildlife collisions on California’s roadways. Coined the “Wildlife Traffic Safety Act”, SB 395 would also help clean California’s roadways, while reducing the needless waste of a healthy, free-range wild food source. This legislation is sponsored by the California Deer Association with the assistance of Gaines & Associates, and in coordination with the Road Ecology Center at the University of California at Davis. *Passed Senate and is now in Assembly Appropriations committee.*

Helen Joan Becker

3-20-1938 ~ July 8, 2019

CBH/SAA Hall of Fame Member, Helen "Joan" Becker, age 81, passed away peacefully at her Yuba City home surrounded by family on July 8, 2019. She passed after an extended illness of lung disease.

A small memorial service was held July 18th in Yuba City to remember, love and laugh about the life of Joan, which was always a part of Joe's life...they were inseparable.

A beautiful quote from the service, "Grief is love that has nowhere to go".

Joan was born to George Sr. and Helen Lindsay in Billings Montana on March 20, 1938. She was raised in Signal Hill, California and graduated from Long Beach Polytechnic High School in 1956. She graduated from Butte County Hospital LVN program in 1967 and worked as an LVN in Yuba/Sutter area and Sonoma, California until retiring to be a full-time homemaker and loving mother.

Joan married Joseph Becker of Yuba City on July 24, 1966. Joan and Joe raised their blended family in Yuba City until moving to Eldridge California in 1984. In 1994 they returned to their home in Yuba City until moving to Paradise California in 2007. They then returned to Yuba City in December 2018 after their home was destroyed in the Camp Fire.

Joan was active in the Paradise chapter of Eastern Star. She was also a member of White Shrine of Jerusalem, Lebanon chapter #93. Joan was also a parent support in Jobs Daughters when her daughters were young. She was very active in archery organizations and Hunter Education programs. She was an avid seamstress and established her own label, "Joan's Jitter Bug". She was a beautiful cake decorator and was hired to bake wedding and birthday cakes for many Yuba/ Sutter residents over the years. Joan was a member of St Andrew Presbyterian Church in Yuba City.

Joan is survived by her husband Joseph Becker. Daughters, Heather Voboril of Gig Harbor, Washington, Lisa Johnson of Killeen, Texas and Annie Eberhart of Yuba City, son Pete Becker of Chico, eight grandchildren and twelve great grandchildren.

Joan was preceded in death by her parents, George Sr. and Helen Lindsay, brother George Lindsay Jr., sons Steven Eberhart and Michael Becker.

In memory of Joan, donations may be made to CBH/SAA Hall of Fame or Archery Foundation, Sacramento Shriner's Children's Hospital or St. Andrew's Presbyterian Church.

In honor of Joan:

THE DASH

by Linda Ellis

I read of a man who stood to speak at the funeral of a friend. He referred to the dates on the tombstone from the beginning... to the end.

He noted that first came the date of birth and spoke of the following date with tears, but he said what mattered most of all was the dash between those years.

For that dash represents all the time they spent alive on earth and now only those who loved them know what that little line is worth.

For it matters not, how much we own, the cars... the house... the cash.

What matters is how we live and love and how we spend our dash.

So think about this long and hard; are there things you'd like to change? For you never know how much time is left that still can be rearranged. To be less quick to anger and show appreciation more and love the people in our lives like we've never loved before.

If we treat each other with respect and more often wear a smile... remembering that this special dash might only last a little while.

So when your eulogy is being read, with your life's actions to rehash, would you be proud of the things they say about how you lived your dash?

Joan, you lived an extraordinary dash!

Jan Sciacca 2020 Inductee CBH/SAA Hall of Fame

Jan has always been an outdoors woman. She loves the outdoors, hunting and the Sierra Nevada Mountains. However, she was a bit shy when it came to competing in archery. She wasn't ready for the criticism that could come from people watching her shoot....boy did that change!

Jan was finally convinced by her husband, Chuck, to shoot a 3D tournament with him...and she has never looked back. She, and others around her, realized that she had "it" for shooting a bow. She was a natural.

Here are some of Jan's accomplishments:

CBH/SAA State Records

Adult Bowhunter – Two day format- Field 485, Hunter 487, Animal 540, Aggregate 1496

Adult Bowhunter – One day format – Field 246, Hunter 243, Animal 276, Aggregate 755

Adult Bowhunter – Indoor – 423 with 7x

Adult Barebow – Indoor – 421 with 16 x

Adult Barebow – Target – 805 with 11x

Adult Bowhunter – Target – 824 with 11x

Senior Barebow – Target – 794 with 12x

NFAA National Records

Adult Bowhunter – Field 485, Hunter 484, Animal 549

Senior Bowhunter – Field 475, Hunter 485, Animal 545

NFAA Marked 3D at the Western Classic Trail Shoot – 1st place since 2000

Jan competes along with the men and is always sought after as a partner for team events. She is willing to teach the youth and women archery and encourages them the same to be the best that they can.

Jan IS an archer. Jan IS a winner. And, Jan IS one of the nicest competitors around.

Congratulations!

Don Rabska 2020 Inductee CBH/SAA Hall of Fame

As a young boy, Don got interested in archery by watching cowboy & Indian movies on tv. He had his first bow, a starter fiberglass bow, at eight-years-old. When the original string broke, he had to keep going so he used a boot lace as a string.

Don's interest in archery turned to the FITA style and whenever he could, he would shoot 100 arrows a day to hone his skills and it worked. He had won many CBH/SAA Indoor and Outdoor Championships as well as with National titles.

Don attended San Bernardino Valley College and was a four time All American and was National Collegiate Champion in 1975. By 1976, Don was hired to work at Easton. He continued at Easton until he retired as Vice President after 42 years with the company.

In 1986, Don won the National Archery Association Trials in Oxford, Ohio. This gave him the first spot on the U.S. Team for the America's Tournament in Rio De Janeiro. He went on to defeat the 1984 Gold Medalist.

Don has been involved with world archery for many years. He was the Archery Competition Director for the 1984 Los Angeles Olympic Games, Competition Director for the 1983 World Championships and Competition Director for the US Nationals. Don had also served on the Board of Governors for USA Archery for over 12 years.

He is also an author and inventor with 3 patents. He wrote the Easton tuning and maintenance guide and collaborated on several archery history books and produced technical archery articles for various publications. He had also created many Easton spine charts for over 30 years.

Don is also known over the world for his seminars. He has presented in over 40 countries, teaching the technical aspects of Olympic style archery.

Don had received the World Archery Bronze Plaque for outstanding service to the sport of archery.

He will always be known as a terrific shooter, teacher, coach, promoter and the nicest person you would ever want to meet!

Congratulations!

Craig Fritz 2020 Inductee CBH/SAA Hall of Fame

Craig began shooting a bow in the early 1980's when he was given a bow for Christmas. It wasn't long after that, that he, his family members and guys from work set out to bow hunt goats and pigs on Catalina Island. He was soon introduced to 3D shooting and target archery, and of course this led to the administrative side of archery.

He joined CBH and NFAA, Conejo Valley Archers and started attending the Southern California Archery Association region meetings. He was President, Secretary and Chairman of the US Country Classic for 2 years, spearheaded the securing of the lease for the current home at Tapo Canyon Park. He had also served as SCAA Legislative Representative.

Craig was elected as the 2nd VP Hunting in 1995. He wanted to bring target archers and bowhunters together again and did. He worked hard for the Big Game Club and the CBH/SAA Broadhead Tournament. He held this position until 2018.

Craig created the now known "\$10,000 Drawing" for the Broadhead Tournament inspired by Rocky Chisholm. From those funds, CBH/SAA programs thrived; The Legislative Defense Fund, Hall of Fame, numerous regions and many others. He created the computer database for the Big Game Club membership.

He also created the Whitney Hill Award, Category E., created the Big Game Club Lifetime Achievement Award, Chaired 11 of the Big Game Banquets and Awards Dinner, Editor of the Big Game Club Records Book, Co-Chaired the BGC Records book.

Craig was the Chairman of the BGC and brought back the financial solvency to the BGC within one year. Also while chairman, the Broadhead Tournament was moved from cardboard targets to 3D's. He led the charge to raise \$18,000 for the CBH/SAA Legislative Defense Fund in the battle over Burbank.

He led the movement by the BGC to create the Tule Elk category in the Pope & Young Club.

Along with "chairing" committees and leading the charge for bow hunters and target archers, he

actually did shoot a bow for target and was recognized as the NFAA Southwest Section Champion in BHFSL and also won a BGC Two Year Competition with a 78-0" Pronghorn Antelope (#5 at the time recorded).

Other memberships; South Bay Archers, Life Member of CBH/SAA and NFAA, Official Measurer for CBH/SAA, Member of Boone and Crockett, Official Measurer of Boone and Crockett Club, Member of Pope & Young Club, Official Measurer of Pope & Young Club, Life Member of the NRA and Life Member of the North American Hunting Club.

Now, Craig can add one more membership...a member of the CBH/SAA Hall of Fame.

Congratulations!

Steve and Marilyn Dutra 2020 Inductees CBH/SAA Hall of Fame

Steve and Marilyn began in archery like many other parents do...it was an activity with father and son. It wasn't long until mom and daughter picked it up too... who has fun just following and not participating?

Steve and Marilyn are a team. They open up their own ranch for hosting tournaments and hunting guests. From digging in deep with his tractor and backhoe to help out various ranges, to countless hours of cooking breakfasts, lunches and dinners for guests and club members, they have about done it all.

They joined the organized part of archery in 1992 with Sonoma County Bowmen and then in 1994 with Traditional Archers of California.

The various officer positions that they have held over the years include;

Range Captain, Vice President, President – Sonoma County Bowmen

President of Traditional Archers

Secretary and Treasurer for NCFAA Region

They created the "Road Warrior" program for Sonoma County Bowmen which encouraged local archers to support the local clubs and resurrected the "Shot in the Dark" Halloween shoot.

Continued on page 9

From page 8

They organized and ran the 3D league for SCB, implemented the logo items for SCB, provided numerous new articles for SCB, TAC and CBH/SAA over the years. They've assisted San Mateo & Sonoma County with the Sportsmen's Expos which encouraged the youth to get involved with archery.

Steve & Marilyn worked with many kids over the years & stayed involved with archery by giving them instruction, fun time shooting and shooting with them at many novelty shoots and indoor shoots.

They have been known to create many novelty shoot items; Animal carousel, teeter-totter, conveyor belt animals, shoot throughs with pipes and tires and the not so much a novelty, but the ever important outhouses to defray rental cost.

Steve & Marilyn have traveled for many years, competing and placing in tournaments in; California, Oregon, Washington, Idaho, Montana, Hawaii and British Columbia.

They have a love for promoting traditional archery and have hosted many state and local tournaments at their property for their guests to continue to enjoy archery.

Congratulations!

Myra Dudley 2020 Inductee CBH/SAA Hall of Fame

Myra began her archery life in 1977 when she thought she was just looking out for her son and getting him a bow. Little did she know that this thought turned into a lifetime of love.

Myra started shooting a bow with a sight and release. After 3 years of shooting this style, she realized she wanted to join a club. The club in her area was Redwood Bowmen. They were a non sight club at the time. She gave up the sight and became a "Bowhunter".

It wasn't long until she became very active in the club and then region (NCFAA). She held the following offices;

Redwood Bowmen
Board Member Assistant Range House
Manager NCFAA Section Treasurer
NCFAA Section Vice President
Redwood Bowmen President for 7 years

NCFAA Section President

She was in charge of the Twilight Shoot, an outdoor league for quite a few years.

Myra has a passion for children getting involved in archery. She started a program for the Boy Scouts, Girl Scouts and various church groups for the kids.

In the 1990's, Myra assisted The Bowrack, local bow shop, in teaching the JOAD Program. Within a couple years, she ran the program. This program still operates today.

Myra is also an accomplished archer. Here are some of her accomplishments;

CBH/SAA State Field Champion Barebow in 1987 and 1988

CBH/SAA State Marked 3d Champion in 1990

NFAA at the World Championships, 3rd in 1990

Australian Nationals, 2nd in 1990

CBH/SAA State Field Champion in 2000, 2002 and 2005

CBH/SAA State Indoor Champion in 2006 and 2007

Fresno & Nevada County, 1st place champion

Pacific Coast Champion in 2006

The last one to receive and keep the Fresno Perpetual Trophy for Barebow. Many other wins in various local tournaments. Many relationships won over the years with archery too.

Congratulations!

Have you met Daniel Kwasniewski?

Even though school is out for the summer, USC Trojan Archery is going strong! In June, Trojan Archery's Daniel Kwasniewski competed in one of the biggest tournaments in the nation—the SoCal Showdown! In fact, this was the largest USAT competition in USA Archery history. Dan faced stiff competition against some of the world's best archers. Dan Kwasniewski, preparing to shoot alongside Olympians, also competed in and won the Pasadena Roving Archers' 21 or Bust novelty shoot! The 21 or Bust is a fun local fundraiser tournament, and Dan had a great time competing with LA archers and trying his hand at field-style shooting.

Petitions?

Looking to submit any????

By CBH/SAA Secretary, Pam Severtson

Are you looking to change any rules in the current CBH/SAA Bylaws and Standing Rules? Do you know where these can be found on the CBH/SAA website? Go to www.cbhsaa.net, under the tab "Calendar/Resources". The current Bylaws are listed there...On the Resource page, on the right hand side, you will see the CBH/SAA Petition Form. Click on that form and complete the petition in full with signatures. The signatures will also need to have the printed name so their names can be verified if valid members. Once completed, return to me prior to September 30th. If there are any clarifications needed with the petition, you will be contacted. Please mail them to; CBH/SAA, 7710 Camino Vista, Shingletown, Ca. 96088. Thanks!

A HEADS UP!

2020 STATE TRADITIONAL SHOOT

By: George Papac

First of all I would like to thank all those that attended last year's State Traditional Shoot and turned it into the success it was. The second annual State Traditional Championship will be held at Verdugo for one more time before we change the venue. The date of the shoot will be February 15th & 16th. This will allow all of those who go to the Vegas Shoot the weekend before to attend the State Traditional Championship. I am speaking to all the triple threat archers the ones that shoot compound, re curve and longbow. Grab either a longbow or re curve and come join us. The children categories we'll be Young Adult, Youth and Cub.

Don't forget to pre-register which will save you \$10. When you mail in don't forget to order your T-shirt. All those that order a T shirt through early registration will have the year on them. The shirts that will be sold at the shoot will not have the year on them and will be limited in numbers. So if you want a T shirt you had better order it early.

You should see the flyer in the magazine starting in October. Save the date!

**Thank You for your Donations to the CBHSAA Legislative Defense Fund!
By Robert Moore- Legislative Coordinator**

I want to thank those that have donated funds to our Legislative Defense Fund. With your donations, your Legislative Team, representing the six DFG Regions, can attend important meetings and react to issues that are impacting our sport. We can also meet our Financial Obligations to Gaines and Associates who represent us in the state capital, at all DFG meetings, and up and down the state when and where needed. Their goals are to promote wildlife conservation and protect our archery and hunting heritage within the state political system. However, we are, and always will be, responsible for all costs over and above their obligation to us. That is, when CBH/SAA has to retain a legal team to protect us and our sport, it will be at our expense. This is why your donations are so important to the Legislative Defense Fund in any amount you can afford.

Again, I would like to thank those listed below in addition to those that donated previously for their support.

This Month's Donations include:

Archery Clubs, Regions, Organizations and Businesses:

Maya Archers \$223,

Cougar Mountain Archers \$23

Individuals:

Amanda Duchardt \$50
