RATIONALE: (Describe existing problem and expected benefit of proposed change)

This address Life Membership. Life Membership is not voted on by the Board. It is a process of an individual paying NFAA Life dues first, then they qualify for CBH/SAA Life Membership. This is done by paying 10 x, or 5 x, the amount of the CBH/SAA annual dues, not including any regional fee. Region fees are collected by the regions after that.

This clause also states that the Life Membership Fee will be paid to the Life Membership Fund. The fund currently in the Life Membership Fund are in a low risk investment vehicle. Funds should be allowed to be used in the business of CBH/SAA as the Board sees fit. Allow to have the Life Membership Fees deposited into the General Fund.
