RATIONALE: (Describe existing problem and expected benefit of proposed change)

In the current Standing Rules, at each State Tournament it states that each host club/shop must be a charter member in good standing with NFAA and CBH/SAA. It also states that they "should" have insurance. Change this to "must".

They should also be required to have a current range inspection. This is not standard across the tournaments now, but should be followed. The State Target does not have a separate inspection, but a Field/Outdoor/Bowhunter range inspection will suffice.

Proposed change or addition: (Must be EXACT wording)
