RATIONALE: (Describe existing problem and expected benefit of proposed change)

Currently, longbow archers shoot the youth distance out to 50 yards.
 Proposal; For a 2 year trial period allow longbow shooters to shoot the full distance of the state Field and Target Championships as an option. There are archers that shoot NFAA and IFAA tournaments. These tournaments require longbow shooters to shoot full distance. Shooting the state Field and Target at full distance would be great preparation for NFAA and IFAA tournaments. For the record keeping it can be noted as longbow (R) for regular distance, longbow (Y) for youth distance.

Proposed change or addition: (Must be EXACT wording)
