RATIONALE: (Describe existing problem and expected benefit of proposed change)

As CBH/SAA's purpose is "to promote the practice of field archery" we must hold a space for para athletes who wish to compete at a state level without the burden of having to fly to receive para archer classification. We propose to allow para archers to compete in all age divisions and bow styles with addition of the Para Archer class of "ST", "W2", "W1", "B". The Para Archer Grand Slam will model the Cub Grand Slam award and consist of the State Indoor Championships, State Field Championships, and State Target Championships (also known as the 900 Round).
