14. Provide personnel to act as Range Captain and Chaperones for the Cubs and Youth, when shooting with their competition. A shooting group of minors will consist of no more than three minors, when their/a coach is also shooting with them. It is the responsibility of chaperones and coaches that minors are shooting in a timely fashion and on track to turn scorecards in on time. To assist with this, chaperones and coaches, if applicable, will prompt their archers to change their equipment for the next shooting distance. It is the responsibility of chaperones and coaches to be mindful of shooting groups behind them shooting at a faster pace, to communicate to and allow said groups to shoot through.
