## Legislative Committee Update

### Amanda Duchardt

### CBH/SAA Legislative Director

Greetings CBH/SAA friends and family! Hope you all had a wonderful Easter and Spring Break. Following last month's robust update, things have slowed down a lot as we wait for the April Fish and Game Commission (FGC) meeting and other items to start moving through the legislature.

First, I am pleased to announce that CBH/SAA is a signatory to a CHCC coalition letter of strong opposition to SB 1160 - legislation that would require gun owners to annually register all their firearms with the Department of Justice (DOJ) and pay an annual fee to fund DOJ's administration and enforcement of the firearm registry. SB 1160 is set to be heard in the Senate Public Safety Committee on Tuesday, April 2<sup>nd</sup>. Although no remote/virtual testimony is allowed, CBH/SAA lobbyist Bill Gaines will be at the meeting and will testify on behalf of CBH/SAA. Make sure you are signed up for our Legislative Alert notices at <https://cbhsaa.net/Legislative/LegHome> so that you can actively join the opposition at key moments in the legislative process.

The Legislative team continues to track the progress of the Catalina Island Conservancy's (CIC) application to CDFW to **eradicate all mule deer on Catalina Island**. The CIC continues to hold public outreach events and CDFW has not acted on the application that would authorize eradication beginning around August 2024. CBH will continue our outreach to influential members of the legislature, CDFW and FGC to try to gain traction on our request for additional scientific studies to ensure any decision made by the CDFW is based on hard science. If you would like to contribute to our efforts to oppose the CIC proposal, please donate to the CBH Legislative Defense Fund here: <https://cbhsaa.net/Legislative/Donate> and join nearly 18,000 individuals that have signed the change.org petition here: <https://www.change.org/p/stop-the-slaughter-of-mule-deer-on-catalina-island>. You can also reach out to Assemblymember Josh Lowenthal (D) and Senator Benjamin Allen (D), who represent Catalina in the State Legislature and ask them to get involved and urge the governor to direct the CDFW to deny this permit.

The next FGC meeting is April 17-18 in San Jose, CA. The FGC is expected to adopt changes to fishing and hunting regulations and tag allocations including waterfowl and mammal hunting that were previously proposed and discussed at the December 2023 and February 2024 meetings. The FGC will also recognize the 100-year anniversary of the extirpation of California's state animal, grizzly bear (*Ursus arctos californicus*).

To review the full agenda and meeting documents including details on proposed hunting and fishing regulations, visit <https://fgc.ca.gov/Meetings/2024>. This link also contains information for joining the meeting live via zoom and/or options to watch the recording at a later date.

The CBH/SAA Legislative Committee continues to seek a host club for the **State Unmarked 3D Championship Tournament**. The tournament may be run either as a stand-alone tournament or a piggy-backed shoot. Tournament profits will be split between the host club and the CBH/SAA Legislative Defense Fund with the percentage split negotiated between the club and the Legislative Team. This is a great opportunity to showcase your range during a State Championship with the aid of the Legislative Team and support the important work that our team is doing.

**Reminder:** Whether you've been involved in archery or hunting your whole life, or are new to this sport, **you have something of value to add to the conversation and I encourage you to reach out to me and the CBH Legislative Committee and share your knowledge and experience!** We look forward to hearing from you soon!

## Bowfishing for Catfish in California: A Unique Angling Adventure (Cover Story) JBarr

Bowfishing is here and if you haven't had an opportunity to try it **BOY ARE YOU MISSING OUT!** Jim Teel is pictured here and on the cover with his harvested carp.

Bowfishing, combines the precision of archery with the thrill of fishing, and California's diverse waterways offer an exciting opportunity to target catfish. In this article, we'll explore the basics of bowfishing, regulations, equipment, and some prime locations to pursue catfish in the Golden State.

Bowfishing involves using a specialized bow and arrow to harvest fish. Instead of a traditional fishing rod and reel, anglers rely on their archery skills to shoot fish directly from the water's surface either on a boat or from waters shoreline. It's a dynamic and challenging way to engage with specific aquatic species. Before embarking on your bowfishing adventure, ensure you're aware of California's regulations Click here for detailed fishing regulations <https://wildlife.ca.gov>

•Sport Fishing License: Obtain a valid sport fishing license from the California Department of Fish and Wildlife. This license allows you to participate in bowfishing activities.

- Species Restrictions: While bowfishing is allowed for certain non-game fish species, it's essential to know which species are fair game. Catfish fall into this category, making them a prime target.
- No Game Fish: Remember that it's illegal to bowfish for game fish such as trout, bass, and salmon. Stick to non-game species like carp, tilapia, and catfish.
- There are only three (3) waters you can legally Bowfish Catfish. *Big Bear Lake, Lake Isabella and the Delta.*

Here's what you'll need for successful catfish bowfishing:

**Bow:** Choose a sturdy compound or recurve bow with a draw weight suitable for your skill level.

•Bowfishing Reel: Attach a specialized bowfishing reel to your bow. These reels allow you to retrieve your arrow and fish easily.

•Arrows: Use fiberglass or carbon arrows equipped with barbed points. The barbs prevent the fish from escaping.

•Line: Connect your arrow to a strong fishing line. When you shoot a fish, the line ensures you can retrieve it.

•Contact your local Pro bow shop for a complete set up or click here to find a bow shop <https://cbhsaa.net/CbhClubs> .

**Spotting Catfish:** Look for shallow areas, submerged vegetation, and rocky structures where catfish like to hide. They often feed near the surface during dawn and dusk. **Aim Low:** Adjust your aim slightly below the fish to account for refraction. The water bends light, making the fish appear higher than they actually are. **Patience and Precision:** Bowfishing requires patience and accuracy. Wait for the right moment and release your arrow with precision.

Bowfishing for catfish in California offers a unique blend of archery skills and angling excitement. Whether you're a seasoned bowfisher like "Jim Teel" or a curious beginner, explore the state's waters and discover the thrill of BOWFISHING Carp, Tilapia, skates, selected ocean species and of course CATFISH with a bow. Remember to follow all regulations, respect the environment, and enjoy this exhilarating outdoor pursuit!

## Navigating the Thrilling Terrain of Marked 3-D Tournament: A Call to Archery Adventure

Robert Teehee

As the 2nd Vice President of Field for the Californian Bowmen Hunters and State Archery Association, overseeing the Marked 3-D Tournament has been an exhilarating journey. This unique tournament, with its 42 targets and 2-arrow challenge, offers a maximum score of 924 points, drawing in archery enthusiasts from all corners. However, beyond the competitive aspect, my vision for this event extends to spotlighting lesser-known clubs and fostering community engagement within the archery world.

Marked 3-D isn't just about hitting targets; it's about exploring the diverse landscapes that host these tournaments. From lush forests to rugged terrains, each venue offers a distinct backdrop, presenting archers with exciting challenges and unforgettable experiences. Through this tournament, we aim to shine a light on clubs that may not always be in the limelight, showcasing their dedication to the sport and the beauty of their surroundings.

Looking ahead to 2025, my goal is to involve the community in shaping the future of the tournament. By soliciting proposals for new venues, we can tap into the wealth of knowledge and passion within our archery community. Whether it's a hidden gem nestled in the mountains or a picturesque location by the coast, I believe that every club deserves a chance to host this prestigious event.

To facilitate this process, I urge clubs to submit their proposals by December 2024. These proposals will be carefully reviewed and presented to the CBH-SAA board during our annual meeting. By involving stakeholders in the decision-making process, we can ensure that the Marked 3-D Tournament continues to evolve, offering fresh challenges and opportunities for archers across California.

In addition to expanding our reach, I am committed to enhancing the overall experience of the tournament. This includes providing financial assistance for essential infrastructure improvements such as restroom facilities, targets, and scorecards. For larger purchases or projects, such as significant upgrades, clubs are encouraged to provide advance notice so that we can adequately prepare for the upcoming event. By offering support in these key areas, we aim to ensure that each tournament is not only competitive but also comfortable and enjoyable for all participants and spectators.

Ultimately, the Marked 3-D Tournament is not just a competition; it's a celebration of the spirit of archery and the beauty of our natural surroundings. By harnessing the collective enthusiasm and expertise of our community, I am confident that we can continue to push the boundaries of what is possible and create a tournament that truly captivates the imagination.

Continued from page 6

In conclusion, I invite all archers and clubs to join us on this thrilling journey as we embark on another year of Marked 3-D adventure. Please mark your calendars for May 19, 2024, as we gather at Ishi Archery Club for this year's Marked 3-D Championship. Together, let's explore new horizons, forge lasting connections, and push the limits of our sport. The future of the tournament is in our hands, and I am excited to see where our collective passion and creativity will take us next. I look forward to seeing you there.

## Unveiling the Benefits of Archery Lori Raupe

In a world filled with high-tech gadgets and fast-paced lifestyles, sometimes the simplicity of ancient practices holds the key to modern wellness. Enter archery, a timeless pursuit that transcends cultures and epochs, offering a myriad of benefits beyond its surface appeal. Let's explore why picking up a bow could be your

ticket to a calmer mind, a stronger body, and a more connected spirit.

At its core, archery is a physical activity that engages muscles often neglected in our sedentary routines. Drawing a bow requires strength, precision, and coordination, leading to enhanced muscle tone, improved posture, and increased overall fitness. It's a full-body workout disguised as a leisurely pastime, offering a low-impact option for those seeking to improve their health without subjecting their joints to undue stress.

Yet, the benefits of archery extend far beyond the physical realm. As archers release their arrows, they enter a state of focused concentration akin to meditation. The repetitive motions and intense mental focus required to hit a target foster mindfulness, reducing stress levels and promoting relaxation. In a world where digital distractions abound, archery provides a sanctuary of stillness—a moment of quiet contemplation amidst the chaos.

Moreover, archery is a sport that rewards patience and perseverance. Success is not measured by speed or strength alone but by discipline and technique. Every missed shot serves as a lesson in humility, while every bullseye achieved instills a sense of accomplishment earned through dedication and practice. These virtues cultivated on the archery range—patience, resilience, and determination—naturally spill over into other areas of life, empowering archers to tackle challenges with grace and resilience.

Beyond its physical and mental benefits, archery is a pursuit deeply rooted in tradition and history. Practiced by civilizations spanning continents and centuries, it connects modern practitioners to a rich tapestry of human heritage. Whether participating in traditional archery rituals or competing in modern tournaments, archers become part of a global community united by a shared love for the sport.

In essence, archery offers a holistic approach to wellness, nourishing mind, body, and spirit in equal measure. It invites us to slow down, to breathe deeply, and to reconnect with ourselves and the world around us. So, the next time you feel the need to unplug and unwind, consider reaching for a bow and quiver. You may just find that the ancient art of archery holds the key to a more balanced, fulfilling life.

## Southern Fried Catfish

### Ingredients

- ½ cup buttermilk
- ½ cup water
- salt and pepper, to taste
- 1 pound catfish fillets, cut in strips
- 1 ½ cups fine cornmeal
- ½ cup all-purpose flour
- 1 teaspoon seafood seasoning, such as Old Bay™
- 1 quart vegetable oil for deep frying

**Prep Time: 20 mins Cook Time:10 mins Total Time:30 mins Servings:2**

### Directions

1. Mix buttermilk, water, salt, and pepper in a small bowl. Pour mixture into a flat pan large enough to hold fillets. Arrange fillets in a single layer in the pan, turning to coat each side. Set aside to marinate.
2. Combine cornmeal, flour, and seafood seasoning in a 2-gallon resealable plastic bag. Add fillets to the bag, a few at a time, and tumble gently until evenly coated.
3. Heat oil in a deep fryer to 365 degrees F (185 degrees C).
4. Fry fillets in hot oil until crisp and golden brown, about 3 minutes. Work in batches to avoid overcrowding so fillets have room to brown properly. Drain on paper towels.

Serve with your favorite sides and enjoy!

## Field Round Scoring

Pam Severtson

With the State Field coming up, here is a quick reminder on the scoring of the rounds. This shows you the distance markers to look for and the scoring for each round. Let's get some practice in before June!

### FIELD ROUND

#### STANDARD UNIT

14 targets from a Unit. Twice around a Unit makes a Round. (Qualifier)

#### TARGET FACE

#### SCORING

An arrow shaft need only touch the line to be counted in the area of the next higher value.

#### SHOOTING RULES

Each archer shall shoot (4) arrows at each of the 14 target layouts in a unit

#### DISTANCE MARKERS

- **ADULT** (over 18) *White Markers* indicate the yardage, and shooting position.
- **YOUNG ADULT** (15 through 17) Shoot from the adult *White Markers*.
- **YOUTH** (12 through 14) Shoot the adult stakes up to 50 yards. Any adult yardage over 50 yards will have a *Blue Marker* which indicates the youth shooting position.
- **CUB** (under 12) Shoot (4) arrows from the *Black Markers*.

### HUNTER ROUND

#### STANDARD UNIT

This is an individual event. **NO teams**. NO combining harvested fish under a single participant. NO CHEATING! Must show current CBH or NFAA card at registration to compete for awards/jackpot.

## Final Weigh-In:

You may choose to have your fish weighed on Saturday evening. Final weigh-in is Sunday at 12:00pm. Failing to check in by 12:00pm on Sunday will disqualify you from receiving any awards or Jackpot, NO EXCEPTIONS! Awards will be presented thereafter.

***YOU ARE RESPONSIBLE FOR YOUR OWN FISH! NONE LEFT BEHIND!***

\*Any person 16 years of age or older must possess a valid sport fishing license when taking any fish per California Fish and Game Code Section 7145.

**Thank You for your Donations to the CBHSAA Legislative Defense Fund!  
By Amanda Duchardt - Legislative Coordinator**

The CBH/SAA Legislative Team would like to extend our wholehearted thanks all those that donated to the Legislative Defense Fund. It is our goal to promote wildlife conservation and protect our archery and hunting heritage within the state political system. With your donations, the CBH/SAA Legislative Team can attend important meetings and react to issues that are impacting our sport. We can also meet our financial obligations to Gaines and Associates, who represent us in the state capital and FGC meetings throughout the State. Additionally, it is our responsibility to cover expenses such as when we need to retain a legal team to protect us and our sport. This is why your donations, in any amount, are so important. Again, we thank those listed below in addition to those that donated previously for their support!

**This Month's Donations Include:**

**Bill Eskridge \$25, Larry Morehead \$50, Amanda Duchardt \$50  
Diablo Bowmen Archery Club \$88, Orange Belt Field Archers \$1000**
