PRESIDENT'S MESSAGE

Quick update from the office. Hopefully, everyone has enjoyed a productive tournament season so far and now looking forward to hunting. It's been busy here in Southern California as I'm sure it has been everywhere.

Thanks to everyone that attended the State Broadhead at the end of May. Memorial Day weekend is always busy for families kicking off the summer and I sure appreciate everyone that did it at Oranco with us. We had about 115 shooters, which was less than we would have liked but still a fun turnout.

Thanks of course to Oranco Bowmen and all their club members who helped with the set-up and tear down. They also went out of their way to have the Fish Taco Guy at Sniper Shack and a new pizza guy at Bear Valley. It made life easier on the club and the food was great. Thanks to the club for Tri-tip on Saturday night! An incredibly good choice. Thanks to Bret Scott and his entire Big Game Committee for putting on a great shoot. We did partial marked yardage this year and that seemed to be well received by everyone there.

The new bowhunter class for movable sights and long stabilizers was also a hit. Congrats to Travis Scott for overall high score and all the other winners in their class. Nice belt buckles forthcoming.oh ya...and congratulations to CHERRY VALLEY BOWHUNTERS for winning the 10 grand. I still can't believe I drew that ticket last.... (insert heavy eye roll emoji here)

The months of May and June have seen several youth enhancement events down south. I want to say thanks to all the CBH/SAA and various club members for their help with these various meatball archery events. They are usually very long days out in the heat with endless streams of kids coming through to shoot a few arrows with a bow and arrow. The benefits and results are just fantastic. If we can get even a few parents and kids to start asking about archery equipment, lessons, and next steps then it's worth every minute. Be sure to let us know if you have a youth event coming up. We can usually always find a few volunteers and equipment for an archery booth.

I taught 3 Hunter Education classes since my last newsletter, and they were well attended. If anyone needs Hunter Ed, then get on the CDFW website under hunting and find a class near you.

People are driving literally hundreds of miles to get into a Hunter Ed class. Many of the remote regions of the state need more instructors. If you are interested in becoming an instructor, give me a call. I will be happy to help you through the process to get you certified. Cont. pg 8

Richard English

IBEP CHAIRMAN

“Are you Really Ready for Hunting Season?”

Every Hunt, the preparation can or should be tailored to the individual opportunity. Most practice marksmanship, a few practice calling and even fewer practice Hunting Fitness. Fitness requirements for a hunt vary for each type of hunt. Hunting success and enjoyment normally relates to the amount of proper preparation one has for the Hunt they will embark on.

Blind or stand hunting does not have the same requirements as rut Elk hunting.

Everyone should check with their Doctor each year, to ensure they have no health issue that need special preparations or treatment for an upcoming hunt.

Here are couple simple tips that have worked for me over the years related to hunting fitness preparation.

Walking – One should try to walk 2-3 miles 3 times a week. I also try to get on some trails in and wear my hunting boots. Try to get accustomed to walking off road or on trails, city and suburbs living makes us lazy and we stop lifting our feet to miss obstacles and avoid tripping. Additionally, one can also practice walking more quietly.

Weight - Try to carry weight or a pack when you walk. At the very least I find myself carrying Bino's and water. Doing this in the pre-season often reduces or eliminates shoulder and neck fatigue. Additionally, I try to carry in one hand a weight that equals my bows weight, so I get use to having a handful of weight I normally do not have.

Plan - Plan for the effects of elevation. I try to get to the high-country camping to see how I feel at the expected hunt elevation. If time affords, arrive early and get a little acclimation. Thin air will at the least slow you down and in the worst case can end hunts.

These are just some basic fitness ideas related to hunting. Remember, your prey's life depends on your failures. Are you ready for the Hunt? Waste no day and always try to do some fitness no matter how small, each day.

This is just one extra area one should consider when preparing for the upcoming hunting season and to get the benefits you should start about 3 months before the hunt. No different than marksmanship practice once or twice before you go is not enough.

California Hunter Education Classes can be found at: <https://wildlife.ca.gov/Hunter-Education>

SECOND VP HUNTING

Calif. State Broadhead Tournament Report

The 2026 State Broadhead tournament held at Oranco Bowmen on Memorial Weekend was a success! We had 115 shooters for the two-day event. The weather cooperated as well, a little overcast in the morning and the sun coming out in the afternoon.

This was the first time we tried the Hybrid Marked yardage for a broadhead tournament, where everything 40 yards and over was marked. Everyone seemed to really enjoy the course with targets set at about 15 yards to 62 yards. High score of the event went to Travis Scott in the Hunter Release category with a 763 / 800. We had an exciting shoot off for first place in the Bowhunter Release category, with Kenny Wagner and Joshua Miller battling it out for the win on a 54-yard unmarked standing Black Bear. Both shooters guessed the yardage exactly with Kenny edging out Joshua by a few inches for the win, center punching the ten ring.

A big shout out to our host, Oranco Bowmen! They have one of the nicest ranges in the state, it really looks like a park! Their members went above and beyond as always, helping set up and take down the animals with our Big Game Committee members, setting out water stations, and providing food. Speaking of food, they had the Fish Taco Vendor set up at the Sniper snack stand, and Bros Pizza set up at the main assembly area. Not to be outdone,

they not only supplied breakfast burritos and hamburgers, but they also provided a Tri-Tip dinner Saturday night!

We had our favorite Graphic Designer, Tom Lerma, help design and make our shirts again, which were a big success! I still have some left if you would like to buy one. They are \$20 + shipping.

Speaking of Saturday night, we held our annual \$10K raffle. Just before that raffle we gave away six packs of arrows as door prizes, donated by Victory Archery, our main sponsor. Then raffled off 2 dozen arrows of your choice from Victory Archery, the winner being Corene Rigby. Once the 10K raffle got started there were a lot of boos from all the losers getting their ticket pulled early since it's the last ticket pulled that wins all the money, and a few cheers from the people whose ticket was pulled every tenth time for \$100! When we got down to the last ticket, we made Cherry Valley Bowhunters club very happy with a check for \$10,000!! On a side note, this raffle is very important to us as we generate \$25,000 in ticket sales and give back \$15,500 in prizes. Cont. Next page

<https://cbhsaa.org>

Second VP message cont. The balance goes to the Big Game Club, to use to repair and purchase new targets. They take quite a beating with broadheads. Some of the money goes to making the record book as well, which is coming soon!

I would also like to give thanks to our sponsors who generously donated to the Big Game Club for this event.

Platinum Sponsor:

Victory Archery

Silver Sponsors:

Mike Raahauge's Shooting sports

Cherry Valley Bowhunters

Bronze sponsors:

Willow Creek Archery

Riverside Archery

Turner's Outdoorsman

Bullocks Archery

Straight Arrow Bowhunters

Last and certainly not least, I would like to thank my committee who are the backbone of the Big Game Club. You would not believe the work they do behind the scenes to make sure an event like this runs seamlessly. I certainly could not do this without their help and input.

Chriss Bowles, Pres, Jerry Maytum, Records Chairman, Andrew Mack, Small Game Chairman, Committee members: Randy Long, Kenny Wagner, Travis Scott, Rodney York, Brad Grap, Jack Hankins, and Tina Monkarsh. THANK YOU EVERYONE SO MUCH!

The scores are on pages 11-13. I also have the winners posted for the \$10K raffle. Thanks again to everyone who participated and helped on this fun annual event.

President's Message Continued from pg 3 ~

It's really easy. We can always use qualified hunters that can teach. That being said, the hunting license numbers are down. They are seeing a slow decline year over year and don't seem to be getting better. The real concern is the drop in Junior hunters. The R3 program (Recruit, Retain, Reactivate) does not seem to be having an effect on the hunting license numbers as I see it. If you have a young person that wants to get involved in the hunting process, then get them out to the range or to a program that can teach them to shoot. I don't care if it's a bow or a rifle/shotgun. Get them outside. If you need to get them out on a hunt, then give me a call. I'll see what I can do. The sport of hunting is dying. We need to get it back on track. Let me know what you need from me to help do this.

I'm sure Amanda will have a good legislative update for everyone soon, so I won't go into too much detail. CBH/SAA was well represented in Sacramento for the April hunting regulation adoption hearing. There were, as expected, a number of anti-hunting groups testifying in opposition to the new Bear regulations but the cooler heads prevailed and the 2nd bear tag is now in place. CBH/SAA has also now proposed extending the archery bear season so that it would marry up with general bear season for the '27/'28 hunting season. That is in the preliminary proposal that was discussed at WRC, and I think we should push for that for the avid California bear hunters out there. CBH/SAA is also planning to work on a reduction in license and tag fees for our Junior Hunters.

Continued next page

<https://cbhsaa.org>

Pres. Message Cont. ~ This has been proposed in the past and has been shot down in appropriations, largely due to CDFW opposition. We would propose that Junior hunting licenses extend to age 18 and that big game tag fees for Juniors be made available at a greatly reduced dollar amount. It is our hope that we can somehow slow the exodus from hunting by getting more young people involved.

There are plenty of updates on the Catalina Deer issue. Some good, some not so good. We will continue to keep you informed. Please give me or Amanda a call if you need a complete update. Unfortunately, I must say that money will continue to be a crucial factor in this ongoing litigation. Anything that you choose to give to the effort is greatly appreciated and will be used strictly for that cause.

I attended the Big Game Management Account Advisory Committee meeting in Sacramento on June 11th. It was a spirited group to say the least. CBH/SAA (Amanda and me) are on this advisory committee, and we are there to help advise and steer the CDFW in how they spend your big game tag fees and allocated Pittman Robertson money. Unfortunately, the fund is down, but the department still has some very good projects working in the Antelope and Wild Sheep space. There seems to be some disagreement among the NGOs about leadership of this committee. We will keep you informed as things develop.

As we move forward this summer keep in mind the shoot schedule. Some clubs have already hosted their State and SW Sectional Field tournaments. Please be sure to let us know what you think of the “new” style field tournament. There seem to be a real mixed

bag of opinions. Interesting since we haven’t even shot it yet. After you finish, please let us know your thoughts. It’s an experiment so it’s not set in stone. Who knows? You might like it.

The State and SW Sectional Target dates and venues are set. Tere Johnson has done a wonderful job of organizing and getting registration set up. You can now plan your summer at least through September. Keep in mind that as with Field, the LB and ROTS shooters are required to shoot full distances for the SW Sectional. Unfortunately, these shooters will have to shoot twice to record a score in both. Don’t get caught short at the last minute. Plan ahead.

Please also make plans to support our local clubs with their summer shoots. As always, we have 1000 B.C dinosaur shoot at SF Archers and Big Bear down south with CVBH. These are always well attended but make sure to check the CBH calendar for a whole host of other local shoots closer to home.

Hopefully, everyone drew a great hunting tag for California this year. I know tags are expensive and travel will be tough, but it’s always nice to get out in the weeds for a few days chasing big game. Be sure to check out the CDFW website to see if there are any left-over deer tags that you might want.

I also encourage folks to look at available S.H.A.R.E. hunt opportunities if you didn’t draw a general tag. You can apply for SHARE hunts for a nominal fee and if you get drawn it DOES NOT affect your points. There are some nice hunts in there and even if it’s a cow elk, it’s meat in the freezer. Give it some thought. This is especially good if you have a new young hunter that is just getting started.

August Newsletter is:
July 10th!**

**Send your photos, stories,
and/or articles to Lori Raupe
cbh.newsletter@cbhsaa.org**

Thank you in advance!

Pres. Message Contued ~ As always, be safe. Watch your water intake and start getting ready now. Not a week before your opener. Keep an eye out for snakes. They seem to be thick this year. People are finding them everywhere and 3 people are dead. Really unprecedented. According to the weather people we are supposed to have an El Nino this year, and they say it will be the worst in some time. Be ready for that if you are heading out late season. All of you seasoned hunters know the drill. I just don't want to be talking about you ("and what should he/she done differently") in Hunter Ed class...LOL!

In closing I always encourage you guys to shop locally at your neighborhood archery prop shop. I see a lot of fliers and customer appreciation days going on right now in anticipation of hunting season. These local shops are the lifeline for local clubs and CBH/SAA. They are ones fixing your bow and getting you ready for the hunting or tournament season. Give 'em your support! As always, stay safe and shoot 'em straight....

Have you considered donating to the CBH/SAA Legislative Defense Fund?

Now is the time!

With your annual donation of \$100 (e.g., ~\$9/month or cumulative \$100/year donation) to the CBH Legislative Defense Fund, we would like to thank you with a gift of the CBH/SAA Legislative Defense 2026 Challenge Coin. This year's coin memorializes our ongoing efforts to ensure timely completion of the Bobcat Management Plan and restoration of bobcat hunting in California based on science.

To donate, visit <https://cbhsaa.org/Legislative/Donate>. Thank you for your support!

THANK YOU for your donations to the CBH/SAA Legislative Defense Fund

The CBH/SAA Legislative Team would like to extend our wholehearted thanks to all those that donated to the Legislative Defense Fund. It is our goal to promote wildlife conservation and protect our archery and hunting heritage within the state political system. With your donations, the CBH/SAA Legislative Team can attend important meetings and address issues that are impacting our sport. We can also meet our financial obligations to Gaines and Associates, who represent us in the state capital and FGC meetings throughout the State. Additionally, it is our responsibility to cover any legal expenses when we need to retain a legal team to protect us and our sport. This is why your donations, in any amount, are so important. Again, we thank those listed below in addition to those that donated previously for their support!

To donate, visit <https://cbhsaa.org/Legislative/Donate>.
