Team, it's been pretty slow for archery news, but we have had a few developments that might be of note to you.

Early July saw our first Big Game Club/Committee meeting under new 2nd VP Bret Scott. We were able to get everyone together in Visalia for the day and it was very productive. Everyone had some great new ideas to improve visibility and participation. I'll leave the details to the BGC leadership team, but expect some exciting changes in the new year.

Hunting season is officially underway, and I want to wish the best of luck to all. Please keep in mind safety, especially as it relates to the heat. Watch out for yourself and everyone in your hunting party. Heat stress can come on quickly, and you don't want to be several miles back in the woods when it happens. Be sure to keep your eyes and ears open for closures. A number of fires are going on right now, and it looks to get worse. Make every effort to get deer tested for CWD this year. Read the emergency regs from CDFW. Let's do everything we can to get them the data they need. I understand that the testing may not be feasible for everyone, but for those who can get to a testing station or take a sample yourself, please do. Hopefully, it gives the Department some data to formulate a plan for CWD going forward in California.

As clubs put on tournaments be sure to get out and support them. Check the [CBH calendar](#) for details. Make sure to get signed up for the State 900! We have some new leadership for this tournament and it's always a lot of fun. We have a number of clubs hosting this tournament throughout the state so it should be accessible to everyone. Electronic registration is open and easy.

Sites will also be accepting paper registration in some areas so you last-minute folks will have an easier time this year. Get a whole group together! The rules are simple and it's a great test.

Now for some exciting news! After some unexpected departures from our board, we have new folks stepping up in a big way.

We're thrilled to announce that Tere Johnson has taken on the role of our new 2nd Vice President of Target and will be leading the State 900 Championship. Despite being a relative newcomer to archery, Tere brings a wealth of leadership experience from his time at IBM, which includes valuable technical and organizational skills. We're confident that his expertise will ensure a smooth and successful championship. Please join me in welcoming Tere to the team and feel free to reach out to him for anything related to the State 900. His contact information can be found on the CBH/SAA

contact page. Continued on Page 6

Legislative Committee Update
Amanda Duchardt
CBH/SAA Legislative Director

Greetings CBH/SAA Friends and Family!

I am pleased to announce that the **2024 State Unmarked 3D Championship will be held at Oranco Bowmen on Sunday November 17**. I would like to offer our sincere thanks to Oranco President Al Wiscovitch, the whole Oranco Board, and Oranco volunteers for their commitment to the success of the CBH Legislative Team in all our endeavors! Reminder that proceeds from this event and raffle benefit the CBH Legislative Defense Fund. Stay tuned for an event flyer and details including online registration, raffles, etc. We look forward to another great championship event. If you have any questions, please reach out to me, Amanda Duchardt at:

(Amanda.Duchardt@gmail.com or 949-842-7676).

While there are no significant legislative updates this month, Chriss Bowles, the Legislative Team, and I are working hard to prepare for the August 14 **Fish and Game Commission Meeting** and the September 12 **Wildlife Resource Committee Meeting**. Specifically, we are partnering with Gaines and Associates, Rocky Mountain Elk Foundation, and other NGOs to advocate for additional elk tags, specifically archery elk tags, to increase hunter opportunity and manage elk in human/elk conflict zones. We are working though the details of our proposal including additional opportunities for draw tags and apprentice hunts, strategies for increasing participation in the SHARE program, and early archery season dates. It's a long process to socialize these proposals with the California Department of Fish and Wildlife (CDFW) and the Fish and Game Commission (FGC), be we remain optimistic that our persistence and sound science will lead to success.

Reminder: Whether you've been involved in archery or hunting your whole life, or are new to this sport, **you have something of value to add to the**

conversation and I encourage you to reach out to me and the CBH Legislative Committee to share your knowledge and experience!

We look forward to hearing from you soon!

We need your photos!

Send them to Lori Raupe at
lori.cbhsaa@gmail.com

Make sure to include the details,
 (names and where it was taken. Thank you!)

Bret Scott 2nd VP of Hunting Report

By now, deer and bear season has been going for a while and elk is starting up. Good luck to all you hunters out there and don't forget to join and participate in the CBH Big Game Club! Anyone that hunts can be a member of the Big Game Club. Here are the four memberships available:

Associate Membership-Is open to any CBH/SAA member in good standing who has harvested and recorded at least one big game animal.

Regular Membership-Is open to those CBH/SAA members in good standing who have harvested and recorded at least (4) different species of big game animals currently recognized by the Big Game Records Club of which at least two must meet or exceed the minimum scores set by the Big Game Committee

Senior Membership- Is open to those CBH/SAA members who have been Regular Members in good standing a minimum of two years and have taken at least (5) different species of big game animals currently recognized by the Big Game Records Club of which all five must meet or exceed the minimum scores set by the Big Game Committee. Members wishing to utilize Island Species harvested before February 10, 1997 to

qualify for Senior Membership must have taken at least (6) different species of big game animals currently recognized by the Big Game Records Club of which all six must meet or exceed the minimum Scores set by the Big Game Committee.

Youth Membership- The Youth Big Game Club shall be open to all CBH/SAA members under the age of (17) years. To qualify for the club, the applicant must legally take at least one of the species recognized by the Big Game Club. The animal does not have to meet the minimum score .It will count towards the applicant's regular membership as well.

You can read more specifics on all of these memberships on our Big Game Club website: www.cbhbgc.com

Entering your animal in the Records program will appear in our Record Book. We have been updating this book every 6 years, but that is going to change to every 4 years starting with our next book. The Record Book is a great source of information, when researching one of our California species. You will see the date and location and get a good idea of where to start your planning. It's also a great book to look at the History of archery hunting in California!

Just go online to the Big Game Club website and you can look up a measurer in your area to get your species scored. For coyotes, just fill out the harvest report with a picture and send it to our Records Chairman: Jerry Maytum:

cbhbgc.records@outlook.com

On a closing note, I will be sending out a survey to all the Big Game members of CBH, to ask about the date for the State Broadhead Championship. So keep an eye out for this in your email.

Shoot straight, be safe, and shoot a big one!

President's Message from page 3 - Our second new addition is CBH/SAA Treasurer Heather Tucker! Heather has graciously agreed to take on the challenging task of CBH/SAA treasurer, and the board of directors has approved her selection. Heather has extensive professional experience in accounting and bookkeeping in the Redding area as comptroller for a local construction concern, as well as doing the books for Straight Arrow Bowhunters. Heather is part of SAB leadership and has a strong background in archery. I am very excited to have her on board! Please join me in welcoming her and lending any assistance needed during this critical transition.

Heather Tucker

Team, that pretty much sums it up. I drove to Lodi and picked up the BGC trailer, so the targets are sitting at Dennis Hayworth's and ready for repair for next year's State Broadhead. By the time you read this, I may have already been to Fortuna for FGC meetings. It should be interesting as we prep for the upcoming 2025 big game tag allocations. Keep in mind that the holidays are right around the corner, and so is 2025. Let's not let the year get away from us.

As always, please stay safe and shoot straight!

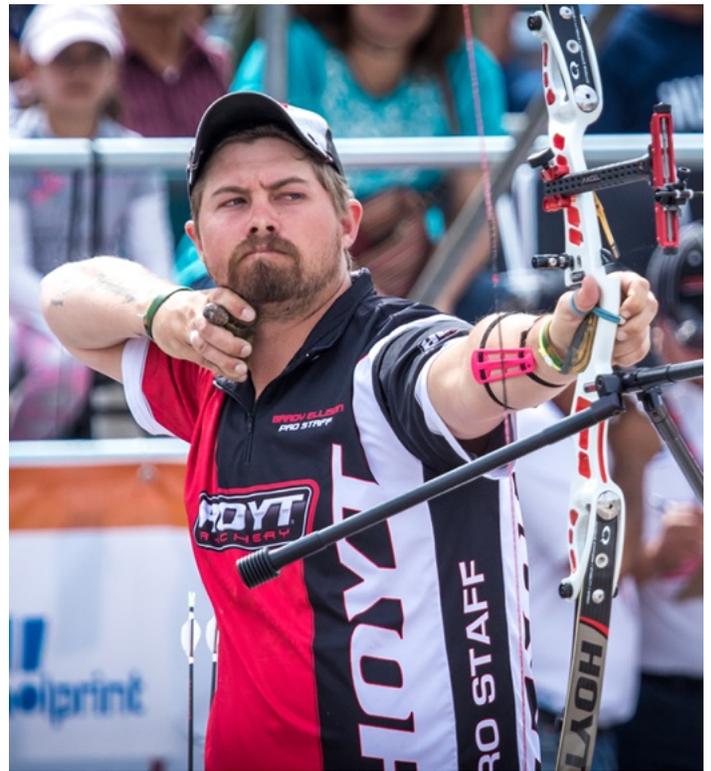

Brady Ellison

(Cover story)
Lori Raupe

In the world of archery, few names resonate with as much respect and admiration as Brady Ellison. At 35 years old, this Arizona native has carved his name into the annals of Olympic History

As the most decorated U.S. Olympic archer, ever! His journey through five Olympic Games is a testament to his unwavering dedication, skill, and passion for the sport.

Ellison's latest achievement came at the 2024 Paris Olympics, where he added two more medals to his impressive collection. You may have been watching the nail bitter, sudden death shoot off, against South Korea's Kim Woo-jin, on August 4th.

The match had spectators on the edge of their seats as both archers shot perfect scores in the final set. The ultimate decider was a matter of mere millimeters, with Woo-jin's arrow landing just that much closer to the center than Ellison's. Although his arrow was only millimeters apart from the gold, he still made history for US archers with a second 2024 Paris Olympics archery medal.

The silver medal marks Ellison's fifth Olympic medal, solidifying his status as the most decorated archer in U.S. Olympic history. His remarkable journey began at the 2008 Beijing Olympics, though he didn't medal that year. His perseverance paid off at the 2012 London Olympics, where he won a silver team medal. The 2016 Rio Olympics further showcased his skills as he brought home an individual bronze and another silver team medal.

Brady Ellison continued from page 6- In Paris, Ellison also teamed up with Casey Kaufhold to secure a mixed doubles bronze, demonstrating his versatility and teamwork. This accomplishment not only highlights his individual skill but also his ability to excel in collaborative events.

Ellison's story is one of grit and determination. Hailing from Globe-Miami, Arizona, he has inspired countless archers and sports enthusiasts with his resilience and dedication. His journey through the highs and lows of Olympic competition embodies the spirit of perseverance.

As we honor Brady Ellison, we celebrate not just his medals but the heart and spirit he brings to archery. His legacy will undoubtedly inspire future generations of archers to aim high and shoot for their dreams, just as he has done time and time again.

Congratulations, Brady Ellison, on your historic achievements and for making me proud to be an American, and making us all proud of the sport of archery.

**Thank You for your Donations to the CBHSAA Legislative Defense Fund!
By Amanda Duchardt - Legislative Coordinator**

The CBH/SAA Legislative Team would like to extend our wholehearted thanks all those that donated to the Legislative Defense Fund. It is our goal to promote wildlife conservation and protect our archery and hunting heritage within the state political system. With your donations, the CBH/SAA Legislative Team can attend important meetings and react to issues that are impacting our sport. We can also meet our financial obligations to Gaines and Associates, who represent us in the state capital and FGC meetings throughout the State. Additionally, it is our responsibility to cover expenses such as when we need to retain a legal team to protect us and our sport. This is why your donations, in any amount, are so important. Again, we thank those listed below in addition to those that donated previously for their support!

This Month's Donations Include:

Couger Mountain Archers \$153, Amanda Duchardt \$50

THANK YOU!
