Just wanted to leave a short note about a few happenings over the last months. June was the last busy one for me until fall and July should be fairly peaceful. I finished up the last Hunter Ed class until August and I just wanted to make a note of safety. I know we preach this a lot, and everyone gets tired of hearing it, but you just can't take your eye off the ball in shooting sports.

Once again, I will note that 2024 saw three hunting related fatalities in the field here in California. All of them were gun related, but the rules still apply. Please pay attention to details. I also want to make note of a recent accident for a Cherry Valley Bowhunters member. Take a look at their Social Media if you want to see the grim reminder. Do keep in mind that this individual is an experienced shooter. Things can go wrong in an instant. His injury could have been worse.

We finished the Mid-Year President's meeting in Visalia and suffice it to say we had some spirited discussion. NFAA petitions are out and available to your regional reps. Take a look at them and be watching for any further updates. Honestly, I didn't see anything earth shattering, but they're all worth a look. It was good to get a regional update and talk a little about our support mechanism and doing some new things to market CBH. Thanks to Toni, Dale and Eddie for getting us the Sportsmen's club for a few hours of good dialogue.

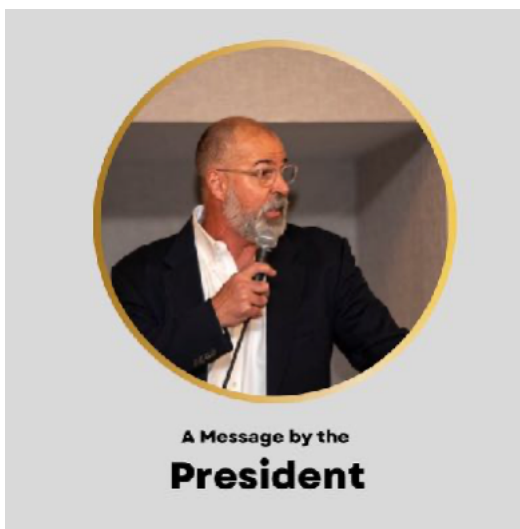

Good dialog with the state on bears and now a meeting next week on deer. It should be a lively fall with meetings in August and October to discuss big game allocations for next season. Keep an eye on your newsletter and Social Media for more details as they become available.

One last item and very important. Dickson Borsada has graciously agreed to help with CBH/SAA Social Media. I have asked Dickson to dive into this thing, and he has been organizing and getting ready to kick it into gear and get us an actual presence going forward. I am really looking forward to

working with Dickson and I think you will all find his work to be as good as I do. Welcome aboard Dickson!!

August is hunting season, but we have a few great shoots coming up. Don't miss Big Bear down south or the Million BC Dino shoot up north. Both are great shoots and should be great warmups as Deer season kicks off a few days later. As always, please stay safe and shoot straighter than me!! Until next time...

Just a Note: In this past June newsletter, an article Catalina-A New Archery Frontier (From Our Historian) was submitted by Brian Drake. Thank you for submitting the article Brian. We hope all of you feel encouraged to submit articles from your collection of valuable information about Archery.
